

and approved, notice to bidders was properly given, bids tabulated as required by law and the contract duly awarded. Also it appears that the laws relating to the status of surety companies and the Workmen's Compensation Act have been complied with.

In this connection, it will be noted that the award was made prior to January 1, 1929, and that the original appropriation lapsed before such contract was approved by the Attorney General. However, it will be further noted that the 88th General Assembly, in Amended House Bill No. 203, reappropriated such funds and authorized the expenditure of money for such purposes with the consent and approval of the Controlling Board, which has been obtained.

Finding said contract and bond in proper legal form, I have this day noted my approval thereon and return the same herewith to you, together with all other data submitted in this connection.

Respectfully,
GILBERT BETTMAN,
Attorney General.
