VICTIM SHAFER, WILLIAM MARK	OFFENSE THEFT (MOTOR VEHICLE)
	INCIDENT DATE/TIME 03-20-2023 17:30

On the above date and approximate time, I was dispatched to the above address in reference to a vehicle theft. Upon arrival, I was met by the victim, William Shafer. Shafer advised that sometime between the hours of 1730 and 2100, one of his vehicles was stolen.

I asked Shafer if he has had anyone show interest in obtaining the vehicle recently. Shafer advised no. I proceeded to have Shafer give me a description of the vehicle. Shafer advised that the vehicle was a blue and grey 1996 Chevy GMT-400 (Sidestep). Shafer went on to describe the vehicle as having a yellow Myers plow blade on the front. Shafer advised that the vehicle just recently had four brand new tires put on it. Shafer then advised that there was a big crease on the tailgate from backing into the corner of a garage. Shafer also advised that the rear bumper was almost rotted out, and that the rear license plate was being held on by some type of wire. Shafer added, inside the pocket on the driver's door, was a red strap. Shafer also mentioned that there was a green strap on the passenger seat of the vehicle. Further description of the vehicle was that there were gloves and a beanie cap on the dashboard, the ashtray was broken and laying on the floor of the interior of the vehicle, it had a broken glove box, both rockers on the vehicle were in terrible condition, the truck had a sliding rear window and finally, there was a large crack that went almost the entire length of the windshield.

After obtaining a very in-depth description of the vehicle, Shafer advised that there was a set of keys in the vehicle, but did not know the exact location in which they were located. Shafer advised that he heard about the pursuit that occurred earlier in the day, and had a strong feeling that the individual involved in the pursuit stole his vehicle. I advised Shafer that it was possible, but I would be looking into all avenues. I advised Shafer that I will keep him updated with my findings in this case.

After I had Shafer fill out a motor vehicle theft affidavit, I cleared scene.

	INCIDENT DATE/TIME 03-20-2023 17:30

Later on in the evening of 03/20/2023, Sgt. [REDACTED] called me and we had a conversation regarding the multi-jurisdictional pursuit that occurred earlier in the shift. While speaking with Sgt. [REDACTED] I advised him of information that myself and Ptl. Burrows obtained regarding the suspect. As Sgt. [REDACTED] and myself were speaking, he received a notification on his work phone from an individual that said he had information on the subject from the earlier pursuit. Moments later, Sgt. [REDACTED] advised me that he spoke with the property owner. Sgt. [REDACTED] further advised that the property owner said that the individual from the pursuit was on his property in a cabin with a vehicle that seemed to match the description of the above stolen vehicle. Sgt. [REDACTED] advised that the vehicle that was there was more than likely my stolen vehicle. Sgt. [REDACTED] advised that once Officers had the individual in custody, he would confirm if the vehicle he had was the above stolen vehicle.

After not hearing back from Sgt. [REDACTED] for a couple of hours, I reached out to him to touch base and to see if he was able to confirm if the individual was in possession of my stolen vehicle. Sgt. [REDACTED] advised that he could not discuss the incident due to other circumstances. I was able to find out some details of the incident by looking at news articles later on in the morning of 03/21/2023.

Once I arrived on station for my midnight shift on 03/21/2023, I saw a vehicle in the garage that seemed to be my stolen vehicle. At this time, I cannot say the vehicle involved in Sgt. [REDACTED]'s incident is the above stolen vehicle. I plan on speaking with either Detective Kasiewicz or Chief Faustino in regard to positively identifying the vehicle in the garage. If and when I can positively identify the vehicle in Sgt. [REDACTED]'s incident as my stolen vehicle, the owner will be notified. However, due to the circumstances surrounding report number 23-001421, the suspect will not and cannot be charged and prosecuted.

Nothing further at this time.

On 03/22/2023, I was in contact with Det. Kasiewicz. I advised him that in the near future, I would need to verify the vehicle from report number 23-001421 as the above stolen vehicle.

While on the phone with Det. Kasiewicz, he confirmed the VIN on the vehicle was the VIN on the above vehicle. Det. Kasiewicz further advised that victim had knowledge of the whereabouts of his vehicle. Finally, Det. Kasiewicz advised that Shafer understood that his vehicle was part of an investigation, and that it would be a while until he was able to retrieve it.

At this time, my investigation is completed. I am requesting that this incident be closed.
