**Bureau of Criminal Investigation**  
Investigative Report

2021-1772

Officer Involved Critical Incident - 300 Wood Street Apt. A8, Mansfield,  
OH

Investigative Activity: Cyber Crimes Submission  
Activity Date: August 18, 2021  
Authoring Agent: SA Cory Momchilov #64

On August 18, 2021, Special Agent (SA) Cory Momchilov (Momchilov) submitted the following items to the Ohio BCI Cyber Crimes Unit for analysis:

- Kyocera slide phone (recovered from James Haynes at hospital)
- Silver LG cellular phone (recovered from scene, Crime Scene #19)
- Black Samsung cellular phone (recovered from scene, Crime Scene #11)
- Taser (recovered from scene, Crime Scene #5)
- Taser wire (recovered from scene, Crime Scene #2)

On August 19, 2021, SA Momchilov was informed of the following information, via email, from Ohio BCI Computer Forensic Specialist Jarrod Scott:

Just found out that this TASER 7 cannot be downloaded the same way the previous versions of TASER are handled. Only the agency can do it (AXON could do it too if the agency isn't cooperating, but that's probably not the case here). So unfortunately there is nothing I can do to get the logs off this model. Let me know if you want me to send it back to Richfield or if someone here might be taking it to Mansfield to have them do the download and generate a report.

On August 23, 2021, SA Momchilov collected the following items from the Ohio BCI Cyber Crimes Unit:

- Taser (recovered from scene, Crime Scene #5)
- Taser wire (recovered from scene, Crime Scene #2)

SA Momchilov then made arrangements with Lieutenant Rob Skropits from the Mansfield Police Department to have the Mansfield Police Department download the information from the Taser. On August 24, 2021, SA John Tingley transported the Taser to the Mansfield Police Department.

The following items are attached to this Investigative Report.

- Cyber Crimes Submission Sheet
- Evidence Return Sheet (Taser to SA Momchilov)
- Evidence Transfer Sheet (Taser to Mansfield Police Department)
