

sioner to The Bing Club of Dayton, Ohio. By this lease, which is one executed by the Conservation Commissioner under the authority of Section 471, General Code, as amended in the Conservation Act, there is granted and demised to the above named lessee, the right to use and occupy for pleasure resort and club house purposes two small islands in Lake St. Marys, commonly known as Anise Island, in the southwest quarter of the southeast quarter, and Sycamore Island, in the southwest quarter of the southeast quarter of Section 18, Town 6 South, Range 3 East, Mercer County, Ohio.

Upon examination of this lease, which is one for the stated term of fifteen (15) years and which provides for an annual payment of rental in the sum of Sixty Dollars (\$60.00) payable semiannually, I find that said lease has been properly executed by the Conservation Commissioner and by The Bing Club, by its secretary and treasurer acting pursuant to the authority of the Board of Directors of said Club, which is apparently a corporation not for profit.

Upon examination of the provisions of this lease and of the conditions and restrictions therein contained, I find that the same conform to the provisions of Section 471, General Code, and to the provisions of all other statutory enactments relating to Reservoir Land Leases.

This lease is accordingly hereby approved by me as to legality and form and I herewith return the lease and the duplicate copies thereof with my approval endorsed thereon.

Respectfully,
JOHN W. BRICKER,
Attorney General.
