**ASSIGNMENT:**

On Thursday, January 18, 2024, while off duty, I received the following text message from the Cleveland Police Communication Control Section;

**“7702 Canton Ave. 36 year male barricaded at 1833 hours. SWAT on scene. Made entry at 0230 encountered gun fire and returned fire striking male multiple times EMS 11 on scene. Full Fit call up requested CAD 015893.”**

At this time I contacted the Cleveland Police Communication Control Section and conferred with Chief Dispatcher Washko and acknowledged receipt of the aforementioned text message and advised that I was responding. I then conferred with Sgt. Gomez, after which I proceeded to the scene and commenced with the following investigation.

**SCENE:**

The scene being described here is 7702 Canton Avenue and involves the interior and exterior of this structure. 7702 Canton Avenue is a retail zoned, two (2) story structure located at the southwest corner of Canton Avenue and Spafford Rd. On the first floor, east side of the building, there is an entrance door to the first floor of the structure. Upon entering the structure you enter into an open room which measured 27’6” from east to west and 21’ from north to south. Continuing west from the entrance, 21’ west, is located a doorway on the south wall leading to a bathroom which measured 5’4” from north to south and 3’8” from east to west.

At the northwest corner of the south wall is a doorway leading to the basement. As you continue west from the basement door you find a doorway leading to two (2) west descending steps which lead to the 1<sup>st</sup> floor west room; this room measured 21’3” from north to south and 15’6” from east to west. On the south wall of the west room is located an entrance door leading to the exterior of the structure.

**SCENE CONT'D:**

At the southwest corner of the west room is a corridor which measured 5'8" from east to west and leads to a landing leading to fifteen (15) north ascending steps with the stairwell measuring 3'1" from east to west. Upon ascending the aforementioned steps you reach a landing which measured 4'10" from north to south. Immediately upon reaching this landing you find a doorway on both the east and west walls. Upon proceeding through the west doorway you find four (4) descending stairs leading to a kitchen area which measured 7'9" from north to south and 15'7" from east to west.

At the southwest corner of the second floor kitchen area is a doorway leading to a southwest bedroom; this room measured 13'1" from north to south and 12'4" from east to west. At the southeast corner of this room is located a bathroom.

Returning to the top of the landing from the fifteen (15) north ascending steps, directly to the east, you enter into a second kitchen area which measured 10'3" from east to west and 21' from north to south. Located on the east wall of this kitchen area is a doorway leading to another room which measured 12'7" from north to south and 11'5" from east to west. Continuing east you locate another doorway which leads to the 2<sup>nd</sup> floor east room; this room measured 21' from north to south and 13'8" from east to west.

Markers # 1 through # 32 and Markers # 96 through # 99 are located in the 2<sup>nd</sup> floor east room. Each marker reference points will be identified in each respective marker description.

The following evidence was photographed in place and collected from the scene by Detectives Manson, Prock and Emerick of the Cleveland Police Crime Scene Unit and is identified as follows;
