ABSTRACT OF TITLE—759 ACRES OF LAND SITUATE IN FRANKLIN TOWNSHIP, ROSS COUNTY, PART OF SURVEY NO. 15365 VIRGINIA MILITARY LANDS—OPINION NO. 3479—NEW DEED CONTAINING EXCEPTION WITH REFERENCE TO OIL AND GAS.

COLUMBUS, OHIO, August 29, 1922.

HON. CARL E. STEEB, *Secretary Board of Control, Ohio Agricultural Experiment Station, Columbus, Ohio.*

DEAR SIR:—On August 8, 1922, this department rendered an opinion to you (No. 3479) concerning the title to 759 acres of land situated in Franklin township, Ross county, Ohio, the same being a part of survey No. 15365 of the Virginia Military Lands. In said opinion your attention was called to the fact that the deed of conveyance from Charles M. Lott, the owner of said land, to the State, contained the following exception:

“Excepting from this grant all the oil, gas and oil producing shale and reserving the right to enter upon said premises for the purpose of prospecting for and producing oil and gas. Where oil and gas is produced from shale, the by-products of the process are also hereby excepted.”

Since the rendition of said opinion, you have secured the consent of the owner to eliminate from the clause of exception the reference to oil producing shale and to

the by-products of the process of extracting oil and gas from such shale. You have submitted a new deed wherein the exception is stated as follows:

“Excepting from this grant all the oil and gas and reserving the right to enter upon said premises for the purpose of prospecting for and producing oil and gas.”

This appearing to be the only change in the deed from Mr. Lott to the State of Ohio this department re-affirms the conclusion given in said former opinion touching the title to said premises.

I am returning herewith the new deed hereinabove referred to.

Respectfully,

JOHN C. PRICE,

Attorney-General.

Re: Bonds of Wood county, \$20,000, for the improvement of I. C. H. 275, section B, consisting of 1 bond payable in 5 installments of \$4,000 each—6%.

GENTLEMEN:—I have examined the transcript of the proceedings of the county commissioners and other officers of Wood county relative to the above bond issue and find the same regular and in conformity with the provisions of the General Code.

I am of the opinion that a bond for said issue with combined principal and interest coupons attached, drawn in accordance with the bond resolution authorizing the same and in compliance with the resolution of the Industrial Commission adopted under authority of section 1465-58a G.
