**ENTRY ADOPTING THE
MAGISTRATE'S DECISION**

ENTERED

MAR 22 2012

This cause came to be heard upon an appeal from the decision of the Ohio Unemployment Compensation Review Commission ("Review Commission") that denied benefits to the Appellant, Anaya Thomas. After due consideration of the oral arguments and the applicable legal authority, the Magistrate found that the Appellant failed to file a brief in compliance with the Court's Order or otherwise prosecute the case. The objection period has expired and no objections to the decision were filed nor were there any extensions granted. WHEREFORE, IT IS ORDERED, ADJUDGED AND DECREED that the Magistrate's Decision is hereby affirmed.

Costs to the Appellant. This is the final appealable order. There is no just reason for delay.
