Appellees.

FINAL APPEALABLE ORDER

* * * * *

This case was considered by the Court on the appeal filed by the employer. Briefs have been submitted by the parties.

Upon a review of all matters, the Court declines to grant the appeal.

The Court finds that the decision of the State of Ohio Unemployment Compensation Review commission was not unlawful, unreasonable, or against the manifest weight of the evidence.

The briefs of the attorney general and the appellee are persuasive in making this finding.

Appellant to pay costs.
