| LAURIE A LANAGHAN | FILED COMMON PLEAS COURT | JOURNAL ENTRY |
| Plaintiff | 2012 JUN 11 10:23:33 | Case No. 10CV739 |
| -vs- | JOHN A CORRIGAN CLERK OF COURTS JEFFERSON COUNTY, OH | Judge David E. Henderson |
| TRINITY WEST et al | : | |
| Defendant | : | |

The case is an Unemployment Compensation appeal. Appellant did not include the Director, ODJFS, as a party in her Notice of Appeal. The requirement to include all interested parties in the Notice of Appeal is mandatory pursuant to ORC§4141.281(D) in order to invoke the jurisdiction of the Court; therefore, this Court has no jurisdiction over this matter. In addition, claimant failed to file a request for review within 21 days after the issuance of the Hearing Officer's February 24, 2011, decision as permitted by ORC§4141.281(C)(3). There was no final administrative decision issued from which claimant could properly take this appeal at the time the supplemental appeal was filed on March 7, 2011.

WHEREFORE, the Director's Motion to Dismiss is therefore well taken. This matter shall be and is hereby DISMISSED.

Judge David E. Henderson
