DIRECTOR, OHIO DEPARTMENT OF JOB AND FAMILY SERVICE, et al.,	*	FILED UNTIMELY; CASE IS DISMISSED
Defendant.	*	

Upon Motion of the Defendant – Appellee, the Court finds that the Notice of Appeal filed March 29, 2012, was filed untimely. The Court further finds that the appellant has not set forth any valid reason for extension of the Notice of Appeal deadline which is jurisdictional, and accordingly this Court does not have jurisdiction to consider his appeal.

Accordingly, this case is DISMISSED and the costs are assessed to the Plaintiff-Appellant. Judgment for costs.

The Clerk of Courts shall cause a copy of this Journal Entry to be served on all unrepresented parties & counsel of record by Regular U. S. Mail.

IT IS SO ORDERED.
