This case is before the court on appeal from the final decision of the Ohio Unemployment Compensation Review Commission, which refused to review the decision of the Commission hearing to deny benefits to Appellant Shawn Pompili.

Appellant has not filed a brief in this case by February 7, 2014, as required by the Clerk's Original Briefing Schedule. Appellees' motion to dismiss for failure to prosecute is therefore well taken. Accordingly, Appellant's appeal is dismissed for lack of prosecution. Costs to Appellant.
