Appellees.	:	

This case is before the Court on appeal from the Ohio Unemployment Compensation Review Commission.

The Commission Hearing Officer Decision of January 27, 2015, is not a Final Decision of the Commission that is appealable to this Court. If Appellant desires to pursue this matter further, she must file a Request for Review with the Commission so that the Commission can examine such a request and issue a Final Decision.

Based on the foregoing, Appellee's motion to dismiss for failure to exhaust administrative remedies is well taken. Accordingly, Appellant's appeal is dismissed Costs to Appellant.
