JUDGE GARY G. COOK

CASE NO. CI0201601517

ORDER

This case is an unemployment compensation administrative appeal. Because appellant's notice of appeal was not timely filed under R.C. 4141.282(A), this Court lacks jurisdiction to hear this matter. The Court also lacks jurisdiction over this matter under R.C. 4141.282(D) because Appellant did not name the Director of the Ohio Department of Job and Family Services as a party-appellee in her notice of appeal.

The motion to dismiss filed by appellee Director, Ohio Department of Job and Family Services is therefore well taken. This matter is DISMISSED with prejudice.
