* FINAL APPEALABLE ORDER

This matter is before the Court on Appellee's Motion to Dismiss. For the reasons stated in Appellee's Motion to Dismiss filed March 14, 2016, and as Appellant has failed to oppose the motion, this appeal is **DISMISSED**. The Court lacks jurisdiction to rule on this appeal because Appellant failed to perfect the appeal in accordance with R.C. 119.12. Specifically, Appellant failed to file a notice of appeal with the Ohio Bureau of Motor Vehicles. Additionally, Appellant fails to allege that the agency's order is not supported by reliable, probative, and substantial evidence and is not in accordance with the law.

This is a final appealable order. There is no just cause for delay, Civ.R. 54(B).

SO ORDERED.
