NOTES ON DECISIONS AND OPINIONS

1. Representation of state agencies
2. Other counsel authorized
3. Representation of state officer or employee
4. Powers in litigation
5. Other matters

1. Representation of state agencies

20 Misc 115, 252 NE(2d) 463 (CP, Trumbull 1969), *Sowers v Ohio Civil Rights Comm.* The attorney general is the legal representative of the Ohio civil rights commission with respect to all legal matters.

30 NP(NS) 238 (1932), *Wolfe v Fulton*; affirmed by Court of Appeals (1933). The court has no authority to appoint counsel for the superintendent of banks contrary to this section, which constitutes the attorney general the sole counsel for the state and all its departments.

108 SCt 388, 98 LEd(2d) 327 (1987), *Karcher v May*. Where a New Jersey statute, passed over the governor's veto, permits pupils to observe one minute of silence before each school day as "quiet and private contemplation or retrospection," and the attorney general, state education department, education commissioner, and two school districts refuse to defend the law when it is attacked in federal court, and where the presiding officers of the state legislature are allowed to intervene as defendants in which capacity they lose both in the district court and on appeal, when these officers give up their posts before filing an appeal with the supreme court and their successors withdraw the legislature from that appeal the matter is moot even though one of the presiding officers of the legislative session that enacted the statute wishes to pursue it.

100 Bankr 940 (SD Ohio 1989), *Murray v Withrow*. A proof of claim filed against a bankruptcy estate by the Ohio

attorney general waives the state's sovereign immunity under 11 USC 106 to a claim by the estate against the Ohio treasurer, notwithstanding the state's argument that there was no waiver because the treasurer did not file the proof of claim; the state's assertion is transparent because Ohio is the real party in interest.

OAG 89-093. The administrator and medical director of the emergency medical services agency, appointed pursuant to RC 3303.09, and the members of the emergency medical services board are officers or employees, as defined in RC 109.36(A), and are thus entitled to civil immunity under RC 9.86, indemnification under RC 9.87, and representation and defense by the attorney general under RC 109.361. Pursuant to RC 109.02, only the attorney general may represent the agency or the board in a civil action brought thereagainst.

OAG 74-089. A representative of the attorney general's office is the proper person to present complaints before hearings of the ethics commission, under present circumstances.

2. Other counsel authorized

32 OS(2d) 245, 291 NE(2d) 434 (1972), *State ex rel Brown v Ferguson*. Where the general assembly passed a bill providing general appropriations and the appropriation for the attorney general therein carries a provision that whenever the secretary of state in his official capacity is a party in any court to a lawsuit involving O Const Art XI, or any part of 2 USC 2, 2a, or 2c, he may employ counsel of his own choosing to represent him as secretary of state, notwithstanding RC Ch 109; such counsel shall be compensated, in such amount as determined by the secretary of state, out of the appropriated funds of the attorney general; but to be reimbursed by the controlling board, such provision constitutes an item separate and distinct from the appropriation for the attorney general in subject, purpose and amount and is an item within O Const Art II, § 16, and the governor's item veto of that bill was a valid exercise of his rights established by that section.

165 OS 447, 136 NE(2d) 47 (1956), *State ex rel Devine v Schwarzwalder*. Service as an attorney examiner and as chief of the permit division in the department of liquor control is "actively engaging in the practice of law" within the meaning of RC 1901.06.

95 Abs 42, 188 NE(2d) 199 (CP, *Tuscarawas* 1962), *Leach v Goshen Brick & Clay Corp.* The administrator of the bureau of unemployment compensation may prosecute an appeal in his own name without being represented by the attorney general.

OAG 85-012. A regional organization for civil defense is not entitled to the general legal counsel of a prosecuting attorney or of the attorney general, but may hire legal counsel as needed for the performance of its duties.

OAG 78-036. Absent an agreement with the attorney general pursuant to RC 109.08, an attorney who recovers a subrogation claim owed to the department of public welfare under RC 5101.58 may not charge the department a fee for representing it.

3. Representation of state officer or employee

OAG 73-029. The office of the attorney general may defend a state highway patrolman who is accused of a criminal offense committed in the scope of his official duties even though the prosecution is conducted by the county prosecutor.

OAG 72-076. When a state highway patrolman is sued for false arrest, the attorney general may defend him if, after careful examination of the facts and circumstances upon which the suit is based, he concludes that the patrolman attempted in good faith to perform his official duties.

1950 OAG 2532. If a state pilot in his individual capacity is subjected to a suit instituted by a party damaged or injured as the result of the crash of a state-owned aircraft being operated

on official business, there is no authority for the state to furnish counsel to represent him in such action.

1927 OAG 1072. Employment of a special counsel by the attorney general and his assignment to the department of highways and public works cannot be made so as to authorize payment of the compensation of such employee out of the appropriations made to such department by the 87th general assembly.

4. Powers in litigation

86 Abs 390, 177 NE(2d) 557 (CP, *Franklin* 1960), *State ex rel Board of County Commissioners v Rhodes*. Attorney general does not have power to waive statutory immunity of state.

506 FSupp 1278 (SD Ohio 1981), *Ohio v United Transportation, Inc.* The attorney general of Ohio may maintain an antitrust action challenging taxicab monopoly in one city; the city is not necessarily an indispensable party.

323 FSupp 326 (ND Ohio 1971), *Hammond v Brown*; affirmed by 450 F(2d) 480 (6th Cir Ohio 1971). In proceedings before a special grand jury, the attorney general and his special counsel have and exercise the rights, privileges and powers of prosecuting attorneys.

OAG 78-024. The board of trustees of a state university may, with the concurrence of the attorney general, pay a cash settlement pursuant to either a journalized entry or a nonjudicially approved contract to an individual who has properly asserted a claim against the university in a forum other than the court of claims.

5. Other matters

633 FSupp 1123 (ND Ohio 1986), *Akron Center for Reproductive Health v Rosen*; appeal dismissed sub nom *Akron Center for Reproductive Health v Slaby*, 805 F(2d) 1033 (6th Cir Ohio 1986); appeal dismissed sub nom *Slaby v State*, 805 F(2d) 1036 (6th Cir Ohio 1986); affirmed sub nom *Akron Center for Reproductive Health v Slaby*, 854 F(2d) 852 (6th Cir Ohio 1988). Although the attorney general may be required by RC 109.02 to defend the constitutionality of state law in certain instances, this circumstance does not preclude the naming of a city prosecutor or a county prosecuting attorney as a defendant in an action challenging a statute.

OAG 73-117. The attorney general may advise that a state statute is invalid insofar as it conflicts with a federal statute.

1937 OAG 497. A fee paid by an attorney for the state on admission to the United States supreme court, when a case involving the state is up for hearing there, is a personal responsibility arising from the qualifying of an attorney at law to practice his profession; hence the charge should be paid by the attorney rather than by the state authority from public funds.

1927 OAG 785. The attorney general's department is not one of the several departments included in GC 154-20 (RC 121.16), the term "several departments," as used in that section, applying only to the departments enumerated in GC 154-3 (RC 121.02).

1927 OAG 785. The inhibition contained in the last sentence of GC 154-20 (RC 121.16) has no application whatsoever to any of the employees in the attorney general's department, including the special counsel designated under GC 497 (RC 4901.17), to act as attorney for the public utilities commission.

109.03 Appointment of assistant attorney general and chief counsel; duties

The attorney general may appoint a first assistant attorney general, a chief counsel, and assistant attorneys general, each of whom shall be an attorney at law, to serve for the term for which the attorney general is

elected, unless sooner discharged by him, and each shall perform such duties, not otherwise provided by law, as are assigned him by the attorney general.

109.23 Definition of charitable trust; application

As used in sections 109.23 to 109.33 of the Revised Code:

(A) "Charitable trust" means any fiduciary relationship with respect to property arising under the law of this state or of another jurisdiction as a result of a manifestation of intention to create it, and subjecting the person by whom the property is held to fiduciary duties to deal with the property within this state for any charitable, religious, or educational purpose.

(B) "Charitable trust" includes the fiduciary relationship, the entity serving as trustee, the status as trustee, the corpus of such trust, or a combination of any or all of such meanings, regardless of the primary meaning of any use of the term, that is necessary in any circumstances to effect the purposes of such sections.

(C) An executor, administrator, guardian, or other conservator of the estate of a decedent, incompetent, or other similarly protected person is, when holding assets in which a charitable trust has a vested or contingent interest and to the extent that such sections are not clearly inapplicable, to be considered a fiduciary of a charitable trust.

(D) The fact that any person sought to be charged with fiduciary duties is a corporation, association, foundation, or any other type of organization that has, under judicial decisions or other statutes, been distinguished from a charitable trust does not provide a presumption against its being a charitable trust as defined in this section.

109.231 Administration of private foundation or split-interest trust

(A) In the administration of any trust which is a "private foundation" as defined in section 509 of the internal revenue code of 1954, a trust for charitable purposes described in section 4947 (a) (1) of the internal revenue code of 1954 to the extent that it is treated for federal tax purposes as such a private foundation, or a "split-interest trust" as described in section 4947 (a) (2) of the internal revenue code of 1954, the following acts are prohibited:

(1) Engaging in any act of "self-dealing," as defined in section 4941 (d) of the internal revenue code of 1954, which would give rise to any liability for any tax imposed by section 4941 of the internal revenue code of 1954;

(2) Retaining any "excess business holdings," as defined in section 4943 (c) of the internal revenue code of 1954, which would give rise to any liability for any tax imposed by section 4943 of the internal revenue code of 1954;

(3) Making any investments which would jeopardize the carrying out of any of the exempt purposes of the trust, within the meaning of section 4944 of the internal revenue code of 1954, so as to give rise to any liability for any tax imposed by section 4944 of the internal revenue code of 1954; or

(4) Making any "taxable expenditures," as defined in section 4945 (d) of the internal revenue code of 1954, which would give rise to any liability for any tax imposed by section 4945 of the internal revenue code of 1954. The prohibitions of this division do not apply to split-interest trusts, or to amounts thereof, to the extent that such prohibitions are inapplicable thereto by reason of section 4947 of the internal revenue code of 1954.

(B) In the administration of any trust which is a "private foundation" as defined in section 509 of the internal revenue code of 1954, or a trust for charitable purposes described in section 4947 (a) (1) of the internal revenue code of 1954 to the extent that it is treated for federal tax purposes as such a private foundation, there shall, for the purposes specified in the governing instrument, be distributed at such time and in such manner, for each taxable year, amounts of income and principal at least sufficient to avoid liability for any tax imposed by section 4942 of the internal revenue code of 1954.

(C) Divisions (A) and (B) of this section express the continuing policy of this state with respect to charitable trust interests and are enacted to assist such trusts in maintaining various tax benefits extended to them, and apply to all trusts described therein, whether or not contrary to the provisions of the governing instrument of such a trust, provided that divisions (A) and (B) of this section do not apply to a trust in existence on the effective date of this section to the extent that the attorney general, the trustor, or any beneficiary of such trust, on or before November 30, 1971, files with the trustee of such trust a written objection to application to such trust of one or more provisions of said divisions, and if the trustee receiving such written objection commences an action on or before December 31, 1971, in the court having jurisdiction over such trust to reform, or to excuse such trust from compliance with, its governing instrument or any other instrument in order to meet the requirements of said divisions. A trustee receiving such written objection shall commence such an action, and the one or more provisions of said divisions specified in such written objection will not apply to such trust unless and until said court determines that their application to such trust is in the best interests of all parties in interest.

(D) No trustee of a trust to which division (A) or (B) of this section is applicable shall be surcharged for a violation of a prohibition or requirement of said divisions, unless he participated in such violation knowing that it was a violation, nor shall such trustee be surcharged if such violation was not willful and was due to reasonable cause, provided that this division does not exonerate a trustee from any responsibility or liability to which he is subject under any other rule of law whether or not duplicated in division (A) or (B) of this section.

(E) As used in this section, "trust" includes a trust or any other organization, other than a corporation, which is a "private foundation" as defined in section 509 of the internal revenue code of 1954, and "trustee" includes any member of the governing body of such organization.

(F) Except as provided in division (D) of this section, nothing in this section impairs the rights and pow-

ers of the courts or the attorney general of this state with respect to any trust.

109.232 Amendment of trust to conform to federal law; approval

(A) The governing instrument of a trust described in division (A) of section 109.231 of the Revised Code may be amended to permit the trust to acquire the characteristics of a trust described in section 664 (D) (1) or (2) of the internal revenue code of 1954, or to conform to the requirements of, or to obtain benefits available under, section 507, 508, or 509 of the internal revenue code of 1954. Such amendment may be made by the trustee with the approval of the attorney general, of the trustor, and, if one or more beneficiaries are named in the governing instrument of such trust, of each named beneficiary. If the trustor is not then living or is not then competent to give such approval, such amendment may be made by the trustee with the approval of the attorney general and, if one or more beneficiaries are named in the governing instrument of such trust, of each named beneficiary. Duty of trustees of charitable trust to furnish information and records to attorney general relating to trust administration. 86 ALR2d 1375

109.24 Enforcement

The powers of the attorney general under sections 109.23 to 109.33 of the Revised Code shall be in addition to and not in limitation of his powers held at com-

mon law. The attorney general may investigate transactions and relationships of trustees of a charitable trust for the purpose of determining whether the property held for charitable, religious, or educational purposes has been and is being properly administered in accordance with fiduciary principles as established by the courts and statutes of this state. The attorney general is empowered to require the production of any books or papers which are relevant to the inquiry. Each such request shall be in writing, and shall do all of the following:

(A) Identify the person to whom the request is directed;

(B) State the specific purpose of the investigation;

(C) Describe any books and the papers to be produced with such definiteness and certainty as to permit such material to be fairly identified;

(D) Prescribe a return date which will provide at least ten days' notice within which the books or papers to be produced may be assembled;

(E) State the place where and the time within which any books or papers are to be produced, provided, however, that copies of such books and papers may be produced in lieu of the originals.

No request shall contain any requirement which would be held to be unreasonable or oppressive or which would be privileged from disclosure if contained in a subpoena duces tecum issued by a court of this state pursuant to the Rules of Civil Procedure. If the production of documents required by the request would be unduly burdensome, the person upon whom the request is served, in lieu of producing such books or papers at the place designated in the request, shall make such books or papers available for inspection, copying, or reproduction at the place where such books or papers are kept.

Whenever a request fails to meet the requirements enumerated in this section, any person upon whom the request is served may file a complaint to quash such request in the court of common pleas of the county in which the trust, institution, association, or corporation has its principal place of business in this state. The complaint shall contain a brief statement of facts entitling such person to have such requests quashed. No answer to such complaint is required. Upon the filing of the complaint, the court, on motion of the complainant, shall enter an order fixing a date for a hearing on the complaint and requiring that a copy of the complaint and a notice of the filing and of the date for hearing be given to the attorney general or his assistant in the manner in which summons is required to be served or substituted services required to be made in other cases. On the day fixed for the hearing on the complaint, the court shall determine from the complaint and from such evidence as is submitted by either party whether the person upon whom the request was served is entitled to have the request quashed. The proceeding is a special proceeding, and final orders in the proceeding may be vacated, modified, or reversed on appeal pursuant to the Rules of Appellate Procedure and, to the extent not in conflict with those rules, Chapter 2505. of the Revised Code.

The attorney general shall institute and prosecute a proper action to enforce the performance of any charita-

ble trust, and to restrain the abuse of it whenever he considers such action advisable or if directed to do so by the governor, the supreme court, the general assembly, or either house of the general assembly. Such action may be brought in his own name, on behalf of the state, or in the name of a beneficiary of the trust, in the court of common pleas of any county in which the trust property or any part of it is situated or invested, or in which the trustee resides; provided that in the case of a charitable trust created by, arising as a result of, or funded by a will, such action may be brought in either the court of common pleas of any such county, or the probate division of it, at the election of the attorney general. No such action shall abate or discontinue by virtue of the discontinuance in office of the attorney general in whose name such actions may be brought. This section is intended to allow the attorney general full discretion concerning the manner in which the action is to be prosecuted, including the authority to settle an action when he considers that advisable.

Under Ohio law the right of trustees under general powers of administration to effect an indirect diversion of corpus from principal to income in favor of life beneficiaries was so limited and restricted that the value of the charitable remainder was "presently ascertainable" as of the date of the decedent's death, and the possibility the charitable remainder would not become effective was so remote as to be negligible.

upon funds collected for charitable purposes but then diverted to other use.

109.25 Service of process on charitable trust

The attorney general is a necessary party to and shall be served with process or with summons by registered mail in all judicial proceedings, the object of which is to:

- (A) Terminate a charitable trust or distribute assets;
- (B) Depart from the objects or purposes of a charitable trust as the same are set forth in the instrument creating the trust, including any proceeding for the application of the doctrine of cy pres or deviation;
- (C) Construe the provisions of an instrument with respect to a charitable trust;
- (D) Determine the validity of a will having provisions for a charitable trust.

A judgment rendered in such proceedings without service of process or summons upon the attorney general is void, unenforceable, and shall be set aside upon the attorney general's motion seeking such relief. The attorney general shall intervene in any judicial proceeding affecting a charitable trust when requested to do so by the court having jurisdiction of the proceeding, and may intervene in any judicial proceeding affecting a charitable trust when he determines that the public interest should be protected in such proceeding.

109.26 Registration of charitable trusts; exemptions; duty of trustees

Except as provided in this section, every charitable trust established or active in this state shall register with the attorney general. The attorney general shall prepare and maintain a register of such charitable trusts. The following charitable trusts are not required to register under this section:

- (A) Charitable remainder trusts created after July 31, 1969, gifts to which are deductible for federal income, gift, or estate tax purposes;

- (D) Such other classes of charitable trusts as the attorney general may exempt from registration by regulation pursuant to section 109.27 of the Revised Code.

County or independent agricultural societies organized under Chapter 1711. of the Revised Code are not charitable trusts.

Every charitable trust shall be registered with the attorney general in accordance with this section within six months after the effective date of this section, November 19, 1975, within six months after the creation of such trust, or within six months after occurrence of an event by reason of which such trust is required to register by this section, whichever is later, provided that all registrations of charitable trusts made prior to November 19, 1975, shall be deemed in full compliance with this section and no further registration shall be required.

No trustee of a charitable trust shall willfully fail to register such charitable trust as required by this section.

109.31 Annual report by trustees; exceptions; fees

Except as otherwise provided by this section, the trustees of a charitable trust required to register under section 109.26 of the Revised Code shall file annual reports, on forms prescribed by the attorney general, on or before the fifteenth day of the fifth month following the close of the trust's taxable year as established for federal tax purposes; or, in lieu of filing such reports, the trustees may file complete copies of all annual federal returns required to be filed by the trust with the Internal Revenue Service for the taxable year, together with all schedules, attachments, and reports due with the return or returns. The federal returns shall be filed with the attorney general at the same time as required by the Internal Revenue Service, taking into account any applicable extension of the federal filing date.

The annual report must be signed by the trustee who is authorized to sign. The annual report shall be considered certified by the trustee and his signature on the report shall have the same effect as though made under oath.

A charitable trust required to register under section 109.26 of the Revised Code is not required to file the reports required by this section if:

(A) It is organized and operated exclusively for religious purposes;

(B) It is an educational institution that normally maintains a regular faculty and curriculum and normally has a regularly organized body of pupils or students in attendance at the place where its educational activities are regularly carried on; or

(C) For any taxable year it has gross receipts of less than five thousand dollars and at the end of which it has

gross assets of less than fifteen thousand dollars. The attorney general may, by regulation pursuant to section 109.27 of the Revised Code, exempt other classes of charitable trusts from the requirements of this section.

The attorney general may institute judicial proceedings to secure compliance with this section and to secure the proper administration of any trust or other relationship to which this section applies. The willful failure of any trustee to file reports as required by this section may be grounds for judicial removal of the trustee responsible for such failure.

The attorney general shall charge the following fees for filing the annual report:

Assets	Fee
Less than \$25,000	\$ 0
\$25,000 but less than \$100,000	25
\$100,000 but less than \$500,000	50

109.362 Denial of request

(A) Prior to undertaking any defense under section 109.361 of the Revised Code, the attorney general shall conduct an investigation of the facts to determine whether the requirements of this section have been met. If the attorney general determines that any officer who holds an elective state office was acting manifestly outside the scope of his official responsibilities or that any other officer or employee was acting manifestly outside the scope of his employment or official responsibilities, with malicious purpose, in bad faith, or in a wanton or reckless manner, the attorney general shall not represent and defend the officer or employee. An initial determination to represent and defend the officer or employee does not prohibit a later determination that the requirements of this section have not been met.

(B) The attorney general shall also deny a request for representation upon a determination that the requesting officer or employee is covered by a policy of insurance purchased by the state requiring the insurer to provide counsel in the action and that the amount of the claim against the officer or employee is not in excess of the

amount of coverage under the policy of insurance. If the amount of the claim against the officer or employee is in excess of the amount of coverage under the policy of insurance, the state is not the plaintiff, and the officer or employee is not otherwise prohibited by this section from being represented and defended by the attorney general, the attorney general shall represent and defend the officer or employee for the amount of the claim in excess of the amount of coverage.

(C) If the attorney general denies representation to an employee or officer who makes a request in accordance with the provisions of section 109.361 of the Revised Code, the attorney general shall notify the requesting officer or employee in writing of the denial setting forth the reasons for the denial within a reasonable time after the attorney general's receipt of the written request from the officer or employee.

If the attorney general denies representation to an officer or employee who made a request for representation under section 109.361 of the Revised Code, the officer or employee may, upon the termination of the action for which he requested the representation, commence an action in the court of claims against the employer pursuant to sections 2743.01 to 2743.20 of the Revised Code for the reasonable expenses incurred in providing his own defense.

action arising under this section accrues. A cause of action arising under this section accrues upon the conclusion of the civil action instituted against the officer or employee for which the attorney general denied the officer's or employee's request for representation if the time for filing an appeal in the action lapses without the filing of an appeal or upon the conclusion of the final appeal in the civil action instituted against the officer or employee for which the attorney general denied the officer's or employee's request for representation if an appeal is filed in the action.

If the court of claims finds that the officer or employee was entitled to have the attorney general represent and defend him under section 109.361 of the Revised Code, the court shall enter judgment against the employer in favor of the officer or employee in the amount of the reasonable expenses incurred by the officer or employee in providing his own defense and in bringing the action authorized by this section. The reasonable expenses may include, but are not limited to, payment of court costs, attorney's fees, investigative costs, and expert witness fees.

40 App(3d) 188, 532 NE(2d) 175 (Hamilton 1987), Cincinnati ex rel Cincinnati Private Police Assn Co Watchmen's Local No. 13130 v Cincinnati. Private police officers who are not both commissioned and employed by a political subdivision are not peace officers for purposes of RC 109.71(A) and 109.77; therefore, such private police officers are ineligible for the exemption from the completion of an approved peace officer basic training provided to officers commissioned or appointed prior to January 1, 1966 and are not exempt from

city training requirements adopted in 1983 even if commissioned prior to January 1, 1966.

29 App(3d) 279, 29 OBR 343, 504 NE(2d) 1202 (Portage 1986), *State v Giallombardo*. A privately employed security guard is not required to provide Miranda warnings upon detaining a shoplifting suspect because a private security guard is not a peace officer under RC 109.71(A)(1) or RC 2935.01(B).

OAG 89-071. Special deputy sheriffs who are commissioned and employed by the sheriff on behalf of the county and whose primary duties are to preserve peace, protect life and property, and enforce laws, including but not limited to the transportation of prisoners and routine patrol in squad cars, are peace officers, and as such are required to be trained and certified as peace officers by the peace officer training council pursuant to RC 109.77. Special deputy sheriffs whose primary duties do not include preserving peace, protecting life and property, and enforcing laws need not be trained and certified pursuant to RC 109.77, but may instead receive training pursuant to RC 109.78.

OAG 88-071. A county dog warden appointed pursuant to RC 955.12 is not a peace officer under RC 109.71(A) and is thus not required by RC 109.77 to obtain certification from the peace officer training council.

OAG 87-057. A person appointed as a special constable pursuant to RC 1711.35 to assist in keeping the peace during a county agricultural society's annual fair is a "peace officer" as defined in RC 2935.01(B), but is not a "peace officer" as defined in RC 109.71(A).

OAG 87-015. A person who is appointed as an agent by the agriculture department director to investigate the illegal sale of food stamps is not a peace officer as defined by RC 109.71(A).

OAG 85-060. Special constables appointed pursuant to RC 1907.201 and RC 1907.211 are not included in the definition of peace officer set forth in RC 109.71(A)(1) and, therefore, need not receive certification from the Ohio peace officer training council.

OAG 84-020. A person designated by the board of directors of a conservancy district, pursuant to RC 6101.75, to police the works of the district is not subject to the training and certification requirements imposed by RC 109.77(A).

OAG 84-008. In order for a person to be a peace officer as defined in RC 109.71(A)(1), three criteria must be met: (1) the person must be appointed to one of the specific positions enumerated therein; (2) the person must be commissioned or employed by a political subdivision of this state; and (3) the person's primary duties must be to preserve the peace, to protect life and property, and to enforce laws, ordinances or regulations.

OAG 81-102. An individual who served as a state highway patrolman on January 1, 1966, did not hold "peace officer" status as defined by RC 109.71(A). Therefore, such an individual must complete the course of training prescribed by the Ohio peace officer training council pursuant to RC 109.71 to RC 109.77 in order to receive an appointment as a "peace officer."

OAG 70-073. Park district rangers and patrolmen shall attend the Ohio peace officers' training institute and obtain certification upon satisfactory completion of the course.

109.72 Membership; appointment; term; meetings; expenses

Ohio peace officer training council member terms shall be for three years, commencing on the twentieth day of September and ending on the nineteenth day of September. Each member shall hold office from the date of his appointment until the end of the term for which he was appointed. Any member appointed to fill a

vacancy occurring prior to the expiration of the term for which his predecessor was appointed shall hold office for the remainder of such term. Any member shall continue in office subsequent to the expiration date of his term until his successor takes office, or until a period of sixty days has elapsed, whichever occurs first. An interim chairman shall be appointed by the governor until such time as the council elects a permanent chairman.

Any member of the council appointed pursuant to section 109.71 of the Revised Code as an incumbent sheriff, incumbent chief of police, representative of the state highway patrol, state department of education, federal bureau of investigation, and bureau of criminal identification and investigation, shall immediately, upon termination of his holding such office, cease to be a member of the council, and a successor shall be appointed.

The council shall meet at least four times each year. Special meetings may be called by the chairman and shall be called by him at the request of the attorney general or upon the written request of five members of the council. The council may establish its own requirements as to quorum and its own procedures with respect to the conduct of its meetings and other affairs; provided, that all recommendations by the council to the attorney general pursuant to section 109.74 of the Revised Code shall require the affirmative vote of five members of the council.

Membership on the council does not constitute the holding of an office, and members of the council shall not be required to take and file oaths of office before serving on the council. The council shall not exercise any portion of the sovereign power of the state.

The members of the council shall receive no compensation for their services but shall be allowed their actual and necessary expenses incurred in the performance of their duties.

No member of the council shall be disqualified from holding any public office or employment, nor shall he forfeit any such office or employment, by reason of his appointment to the council, notwithstanding any general, special, or local law, ordinance, or city charter to the contrary.

This division does not apply to peace officer training schools for employees of conservancy districts who are designated pursuant to section 6101.75 of the Revised Code or for park officers, forest officers, game protectors, or state watercraft officers of the department of natural resources.

(B)(1) A peace officer training school is not required to permit an undercover drug agent, a bailiff or deputy bailiff of a court of record of this state, or a criminal investigator employed by the state public defender to attend its basic training programs if:

(a) In the case of the Ohio peace officer training academy, the employer county, township, municipal corporation, court, or state public defender or the particular undercover drug agent, bailiff, deputy bailiff, or criminal investigator has not paid the tuition costs of training in accordance with section 109.79 of the Revised Code;

(b) In the case of other peace officer training schools, the employer county, township, municipal corporation, court, or state public defender fails to pay the entire cost of the training and certification.

(2) A training school shall not permit a bailiff or deputy bailiff of a court of record of this state, or a criminal investigator employed by the state public defender to attend its basic training programs unless the employing court of the bailiff or deputy bailiff or the state public defender, whichever is applicable, has authorized the bailiff, deputy bailiff, or investigator to attend the school.

(C) The attorney general shall adopt, in accordance with Chapter 119, or pursuant to section 109.74 of the Revised Code, rules governing the attendance of undercover drug agents at approved peace officer training schools, other than the Ohio peace officer training academy, and the certification of the agents upon their satisfactory completion of basic training programs.

109.77 Certificate of training for peace officer, liquor control investigator, bailiff, or criminal investigator; training in domestic matters, crisis intervention; exceptions; prohibition

(A) Notwithstanding any general, special, or local law or charter to the contrary, and except as provided in division (C) of this section, no person shall receive an original appointment on a permanent basis as a peace officer of any county, township, municipal corporation, or metropolitan housing authority, as a park officer, forest officer, game protector, or state watercraft officer of the department of natural resources, as an employee of a park district under section 511.232 or 1545.13 of the Revised Code, as an employee of a conservancy district who is designated pursuant to section 6101.75 of the Revised Code, or as a state university law enforcement officer unless the person previously has been awarded a certificate by the executive director of the Ohio peace officer training council, attesting to his satisfactory completion of an approved state, county, municipal, or department of natural resources peace officer basic training program. Every person who is appointed on a temporary basis or for a probationary term or on other than a permanent basis as a peace officer of any county, township, municipal corporation, or metropolitan housing authority, as a park officer, forest officer, game protector, or state watercraft officer of the department of natural resources, as an employee of a park district under section 511.232 or 1545.13 of the Revised Code, or as an employee of a conservancy district who is designated pursuant to section 6101.75 of the Revised Code shall forfeit his position as such unless he previously has satisfactorily completed, or within the time prescribed by rules promulgated by the attorney general pursuant to section 109.74 of the Revised Code, satisfactorily completes a state, county, municipal, or department of natural resources peace officer basic training program for temporary or probationary officers and is awarded a certificate by the director attesting to the satisfactory completion of the program. For purposes of this division, a state, county, municipal, or department of natural resources peace officer basic training program, regardless of whether the program is to be completed by peace officers appointed on a permanent or temporary, probationary, or other nonpermanent basis, shall include at least fifteen hours

of training in the handling of domestic dispute problems and at least six hours of crisis intervention training. The requirement to complete fifteen hours of training in the handling of domestic dispute problems does not apply to any person serving as a peace officer on March 27, 1979, and the requirement to complete six hours of training in crisis intervention does not apply to any person serving as a peace officer on April 4, 1985. Any person who is serving as a peace officer on April 4, 1985, who terminates his employment after that date, and who is subsequently hired as a peace officer by the same or another law enforcement agency shall complete the six hours of training in crisis intervention within the time prescribed by rules promulgated by the attorney general pursuant to section 109.742 of the Revised Code. No peace officer shall have his employment terminated and then be reinstated with intent to circumvent this section.

This division does not apply to any person serving on a permanent basis on March 28, 1985, as a park officer, forest officer, game protector, or state watercraft officer of the department of natural resources or as an employee of a park district under section 511.232 or 1545.13 of the Revised Code, or to any person serving on a permanent basis on March 6, 1986 as an employee of a conservancy district designated pursuant to section 6101.75 of the Revised Code.

(B) No person shall, after September 20, 1984, receive an original appointment on a permanent basis as a liquor control investigator in the enforcement division or intelligence division of the department of liquor control, engaged in the enforcement of Chapter 4301. of the Revised Code, or as an Ohio veterans' home policeman designated under section 5907.02 of the Revised Code, unless the person previously has been awarded a certificate by the executive director of the Ohio peace officer training council attesting to his satisfactory completion of an approved police basic training program; and every person who is appointed on a temporary basis or for a probationary term or on other than a permanent basis as a liquor control investigator in the enforcement division or intelligence division of the department of liquor control, engaged in the enforcement of Chapter 4301. of the Revised Code, or as an Ohio veterans' home policeman designated under section 5907.02 of the Revised Code, shall forfeit his position as such unless the person previously has satisfactorily completed, or within one year from the time of his appointment, satisfactorily completes an approved police basic training program.

(C) No bailiff or deputy bailiff of a court of record of this state and no criminal investigator who is employed by the state public defender shall carry a firearm, as defined in section 2923.11 of the Revised Code, while on duty unless he has been awarded a certificate by the executive director of the Ohio peace officer training council, which certificate attests to his satisfactory completion of an approved state, county, or municipal basic training program for bailiffs and deputy bailiffs of courts of record and for criminal investigators employed by the state public defender that has been recommended by the Ohio peace officer training council, unless he successfully completed a firearms training program approved by the Ohio peace officer training council prior to his employment as a bailiff, deputy bailiff, or

criminal investigator or unless, prior to June 6, 1986, he was authorized to carry a firearm by the court that employed him or by the state public defender and has received training in the use of firearms that the Ohio peace officer training council determines is equivalent to the training that is otherwise required by this division.

(D) A person who was employed as a peace officer of a county, township, or municipal corporation, of the state on January 1, 1966, and who has completed at least sixteen years of full-time active service as such peace officer may receive an original appointment on a permanent basis and serve as a peace officer of a county, township, or municipal corporation, or as a state university law enforcement officer, without complying with the requirements of division (A) of this section.

(E) No person, who is appointed as a peace officer of a county, township, or municipal corporation on or after April 9, 1985, shall serve as a peace officer of that county, township, or municipal corporation, unless he has received training in the handling of missing children and child abuse and neglect cases from an approved state, county, township, or municipal police basic training program or receives the training within the time prescribed by rules promulgated by the attorney general pursuant to section 109.741 of the Revised Code.

(F) No part of any approved state, county, or municipal basic training program for bailiffs and deputy bailiffs of courts of record and no part of any approved state, county, or municipal basic training program for criminal investigators employed by the state public defender shall be used as credit toward the completion by a peace officer of any part of the approved state, county, or municipal peace officer basic training program that the peace officer is required by this section to complete satisfactorily.

(G) This section does not apply to any member of the police department of a municipal corporation in an adjoining state serving in Ohio under a contract pursuant to section 737.04 of the Revised Code.

NOTES ON DECISIONS AND OPINIONS

40 App(3d) 188, 532 NE(2d) 175 (Hamilton 1987), Cincinnati ex rel Cincinnati Private Police Assn Co Watchmen's Local No. 13130 v Cincinnati. Private police officers who are not both commissioned and employed by a political subdivision are not peace officers for purposes of RC 109.71(A) and 109.77; therefore, such private police officers are ineligible for the exemption from the completion of an approved peace officer basic training provided to officers commissioned or appointed prior to January 1, 1966 and are not exempt from city training requirements adopted in 1983 even if commissioned prior to January 1, 1966.

No. 544 (4th Dist Ct App, Jackson, 11-23-87), Hayburn v Jayjohn. Consideration of the provisions of RC 109.77 by an arbitrator, in ruling on a reduction in force dispute involving sheriff's employees, exceeds the arbitrator's authority as provided in RC 2711.10(D) since 4117.10(A) mandates that provisions of a collective bargaining agreement, lawfully adopted and governed by RC Ch 4117, dealing with terms and conditions of employment, take precedence over conflicting laws.

OAG 89-071. Special deputy sheriffs who are commissioned and employed by the sheriff on behalf of the county and whose primary duties are to preserve peace, protect life and property, and enforce laws, including but not limited to the transportation of prisoners and routine patrol in squad cars, are peace officers, and as such are required to be trained and certified as peace officers by the peace officer training council pursuant to RC 109.77. Special deputy sheriffs whose primary duties do not include preserving peace, protecting life and property, and enforcing laws need not be trained and certified pursuant to RC 109.77, but may instead receive training pursuant to RC 109.78.

OAG 88-071. A county dog warden appointed pursuant to RC 955.12 is not a peace officer under RC 109.71(A) and is thus not required by RC 109.77 to obtain certification from the peace officer training council.

OAG 88-048. As used in RC 311.01(B)(8), the phrase "valid certificate of training as a law enforcement officer" is not limited to a peace officer certificate earned pursuant to RC 109.77.

OAG 86-070. A board of township trustees of a non-civil service township may implement a layoff of police constables and police district employees hired under RC 509.01 and RC 505.49(A), respectively, who have been awarded certificates attesting to satisfactory completion of a police basic training program; such layoffs need not follow the procedures prescribed by RC 505.491 to RC 505.495 for the removal or suspension of such persons, but may be accomplished in any reasonable manner.

OAG 86-070. Police constables and police district employees, who have been awarded certificates attesting to satisfactory completion of a police basic training program, may not exercise police powers while they are properly laid off.

OAG 85-060. Special constables appointed pursuant to RC 1907.201 and RC 1907.211 are not included in the definition of peace officer set forth in RC 109.71(A)(1) and, therefore, need not receive certification from the Ohio peace officer training council.

OAG 84-020. A person designated by the board of directors of a conservancy district, pursuant to RC 6101.75, to police the works of the district is not subject to the training and certification requirements imposed by RC 109.77(A).

OAG 84-008. A deputy sheriff appointed by a court of common pleas for the purpose of preserving peace within the courthouse is subject to the training and certification requirements imposed by RC 109.77(A).

OAG 84-008. A court constable appointed by a court of common pleas pursuant to RC 2701.07 to preserve order within the courthouse is not subject to the training and certification requirements imposed by RC 109.77(A).

OAG 81-102. An individual who served as a state highway patrolman on January 1, 1966, did not hold "peace officer" status as defined by RC 109.71(A). Therefore, such an individual must complete the course of training prescribed by the Ohio peace officer training council pursuant to RC 109.71 to 109.77 in order to receive an appointment as a "peace officer."

OAG 74-038. A township constable who has qualified under RC 109.77, and has been appointed under RC 509.01, may only be removed or suspended pursuant to RC 505.491 et seq., and in the absence of such a removal or suspension, he may continue to perform the duties and exercise the authority provided him by statute.

OAG 70-073. Park district rangers and patrolmen shall attend the Ohio peace officers' training institute and obtain certification upon satisfactory completion of the course.

OAG 70-032. Township police constable who has not been awarded a certificate of completion of approved police basic training program serves at pleasure of township trustees and may be removed from office at their pleasure and discretion.

OAG 67-123. Mandatory police training prescribed by RC 109.77 is required for any sheriff's deputy unless the rights, powers and duties of such deputy were significantly limited by the appointing sheriff.

OAG 67-123. A county sheriff may employ general office personnel who do not perform specific duties of the sheriff without formally deputizing such employees and without age limitation of said employees.

OAG 67-029. A special constable, who is empowered to carry firearms, and appointed pursuant to RC 1907.201 and RC 1907.211, is a "peace officer" and, as such, must be certified by the executive director of the Ohio peace officer training council as having satisfactorily completed a basic training course within one year of his original appointment.

OAG 67-015. A private policeman, appointed pursuant to RC 737.05, on a temporary basis or for a probationary term or on other than a permanent basis, must receive, within one year from the time of his appointment, a certificate of his satisfactory completion of the basic course of peace officer training.

OAG 67-015. The determination of whether the members of an auxiliary police unit must be certified by the executive director of the Ohio peace officer training council, as required by RC 109.77, is a factual one to be made by comparing the municipal legislation creating the unit and establishing the unit's members' duties and authority, with the rules and regulations of the Ohio peace officer training council.

OAG 66-179. A private policeman who is appointed on other than a permanent basis must receive, within one year from the time of his appointment, a certificate of his satisfactory completion of the basic course of peace officer training; such time limit may be extended by the director, or such time limit may be lessened by the appointing subdivision, in accordance with the provisions of rule No. P.C. 1-11 of the rules and regulations of the peace officers training council.

OAG 66-137. Each township constable appointed on a permanent basis after January 1, 1966, pursuant to RC 509.01, and each chief and member of a township police district, appointed on a permanent basis after January 1, 1966, pursuant to RC 505.01, must have been certified by the executive director of the Ohio peace officer training council as having completed an approved state, county, or municipal police basic training program.

OAG 66-137. A board of township trustees may pay the expenses of the required training for the chief and members of a township police district, and may make such payments in advance pursuant to RC 505.54.

OAG 66-137. A board of township trustees may pay necessary travel and other expenses incurred incident to a township police constable's being trained as required by RC 109.77, and since such expenses are not specifically provided for by statute, it is within the discretion of the board of township trustees to pay such expenses in advance.

109.78 Certification as special police officer or security guard; payment of cost; firearms training; peace officer private security fund

(A) The executive director of the Ohio peace officer training council, on behalf of the council and in accordance with rules promulgated by the attorney general, shall certify persons who have satisfactorily completed approved training programs designed to qualify persons for positions as special policemen, security guards, or persons otherwise privately employed in a police capacity and issue appropriate certificates to such persons. Application for approval of a training program designed to qualify persons for such positions shall be made to the council. An application for approval shall be submitted to the council with a fee of one hundred twenty-five dollars, which fee shall be refunded if the application is denied. Such programs shall cover only duties and jurisdiction of such security guards and special policemen privately employed in a police capacity when such officers do not qualify for training under section 109.71 of the Revised Code. A person attending an approved basic training program administered by the state shall pay to the agency administering the program the cost of his participation in the program as determined by the agency. A person attending an approved basic training program administered by a county or municipal corporation shall pay the cost of his participation in the program, as determined by the administering subdivision, to the county or the municipal corporation. A person who is issued a certificate for satisfactory completion of an approved basic training program shall pay to the council a fee of fifteen dollars. A duplicate of a lost, spoliated, or destroyed certificate may be issued upon application and payment of a fee of fifteen dollars. Such certificate or the completion of twenty years of active duty as a peace officer shall satisfy the educational requirements for appointment or commission as a special policeman or special deputy of a political subdivision of this state.

(B)(1) The executive director of the Ohio peace officer training council, on behalf of the council and in accordance with rules promulgated by the attorney general, shall certify basic firearms training programs, and shall issue certificates to class A, B, or C licensees or prospective class A, B, or C licensees under Chapter 4749. of the Revised Code and to registered or prospective employees of such class A, B, or C licensees who have satisfactorily completed a basic firearms training program of the type described in division (A)(1) of section 4749.10 of the Revised Code.

Application for approval of a basic firearms training program shall be made to the council. An application

shall be submitted to the council with a fee of one hundred dollars, which fee shall be refunded if the application is denied.

A person who is issued a certificate for satisfactory completion of an approved basic firearms training program shall pay a fee of ten dollars to the council. A duplicate of a lost, spoliated, or destroyed certificate may be issued upon application and payment of a fee of five dollars.

(2) The executive director, on behalf of the council and in accordance with rules promulgated by the attorney general, also shall certify firearms requalification training programs and instructors for the annual requalification of class A, B, or C licensees under Chapter 4749. of the Revised Code and registered or prospective employees of such class A, B, or C licensees who are authorized to carry a firearm under section 4749.10 of the Revised Code. Application for approval of a training program or instructor for such purpose shall be made to the council. Such an application shall be submitted to the council with a fee of fifty dollars, which fee shall be refunded if the application is denied.

(3) The executive director, upon request, also shall review firearms training received within three years prior to the effective date of this division by any class A, B, or C licensee or prospective class A, B, or C licensee, or by any registered or prospective employee of any class A, B, or C licensee under Chapter 4749. of the Revised Code to determine if the training received is equivalent to a basic firearms training program that includes twenty hours of handgun training and five hours of training in the use of other firearms, if any other firearm is to be used. If the executive director determines the training was received within the three-year period and that it is equivalent to such a program, he shall issue written evidence of his approval of the equivalency training to the licensee or employee.

(C) There is hereby established in the state treasury the peace officer private security fund, which shall be used by the Ohio peace officer training council to administer the training program to qualify persons for positions as special policemen, security guards, or other private employment in a police capacity, as described in division (A) of this section, and the training program in basic firearms and the training program for firearms requalification, both as described in division (B) of this section. All fees paid to the council by applicants for approval of a training program designed to qualify persons for such private police positions, basic firearms training program, or a firearms requalification training program or instructor, as required by division (A) or (B) of this section, by persons who satisfactorily complete a private police training program or a basic firearms training program, as required by division (A) or (B) of this section, or by persons who satisfactorily requalify in firearms use, as required by division (B)(2) of section 4749.10 of the Revised Code, shall be transmitted to the treasurer of state for deposit in the fund. The fund shall be used only for the purpose set forth in this division.

(D) No public or private educational institution, port authority, superintendent of the state highway patrol, or regional transit authority shall employ a person as a special policeman, security guard, or other position in which such person goes armed while on duty, who has

not received a certificate of having satisfactorily completed an approved basic peace officer training program, unless such person has completed twenty years of active duty as a peace officer.

NOTES ON DECISIONS AND OPINIONS

OAG 89-071. Special deputy sheriffs who are commissioned and employed by the sheriff on behalf of the county and whose primary duties are to preserve peace, protect life and property, and enforce laws, including but not limited to the transportation of prisoners and routine patrol in squad cars, are peace officers, and as such are required to be trained and certified as peace officers by the peace officer training council pursuant to RC 109.77. Special deputy sheriffs whose primary duties do not include preserving peace, protecting life and property, and enforcing laws need not be trained and certified pursuant to RC 109.77, but may instead receive training pursuant to RC 109.78.

109.79 Ohio peace officer training academy

(A) The Ohio peace officer training council shall establish and conduct a training school for law enforcement officers of any political subdivision of the state or of the state public defender's office. The school shall be known as the Ohio peace officer training academy. No bailiff or deputy bailiff of a court of record of this state and no criminal investigator employed by the state public defender shall be permitted to attend the academy for training unless the employing court of the bailiff or deputy bailiff or the state public defender, whichever is applicable, has authorized the bailiff, deputy bailiff, or investigator to attend the academy.

The Ohio peace officer training council shall develop the training program, which shall include courses in both the civil and criminal functions of law enforcement officers, a course in crisis intervention with six or more hours of training, and training in the handling of missing children and child abuse and neglect cases, and shall establish rules governing qualifications for admission to the academy. The council may require competitive examinations to determine fitness of prospective trainees, so long as the examinations or other

criteria for admission to the academy are consistent with the provisions of Chapter 124. of the Revised Code.

The Ohio peace officer training council shall determine tuition costs which shall be sufficient in the aggregate to pay the costs of operating the academy. The costs of acquiring and equipping the academy shall be paid from appropriations made by the general assembly to the Ohio peace officer training council for that purpose, or from gifts or grants received for that purpose.

The law enforcement officers, during the period of their training, shall receive compensation as determined by the political subdivision that sponsors them or, if the officer is a criminal investigator employed by the state public defender, as determined by the state public defender. The political subdivision may pay the tuition costs of the law enforcement officers they sponsor and the state public defender may pay the tuition costs of criminal investigators of that office who attend the academy.

If trainee vacancies exist, the academy may train and issue certificates of satisfactory completion to peace officers who are employed by a qualified nonprofit corporation police department pursuant to section 1702.80 of the Revised Code or by a railroad company or are hospital police officers appointed and commissioned by the governor pursuant to sections 4973.17 to 4973.22 of the Revised Code, provided that no such officer shall be trained at the academy unless the officer meets the qualifications established for admission to the academy and the qualified nonprofit corporation police department, railroad company, or hospital prepays the entire cost of the training. A qualified nonprofit corporation police department, railroad company, or hospital is not entitled to reimbursement from the state for any amount paid for the cost of training the railroad company's peace officers or the qualified nonprofit corporation police department's or hospital's police officers.

The academy shall permit investigators employed by the state medical board to take selected courses that the board determines are consistent with its responsibilities for initial and continuing training of investigators as required under division (C) of section 4731.05 of the Revised Code. The board shall pay the entire cost of training that investigators receive at the academy.

(B) As used in this section:

(1) "Law enforcement officers" include any undercover drug agent, any bailiff or deputy bailiff of a court of record, and any criminal investigator who is employed by the state public defender.

(2) "Undercover drug agent" means any person who:

(a) Is employed by a county, township, or municipal corporation for the purposes set forth in division (B)(2)(b) of this section but who is not an employee of a county sheriff's department, of a township constable, or of the police department of a municipal corporation or township;

(b) In the course of his employment by a county, township, or municipal corporation, investigates and gathers information pertaining to persons who are suspected of violating Chapter 2925. or 3719. of the Revised Code, and generally does not wear a uniform in the performance of his duties.

(3) "Crisis intervention training" has the same meaning as in section 109.71 of the Revised Code.

(4) "Missing children" has the same meaning as in section 2901.30 of the Revised Code.

109.80 Basic training course for sheriffs; continuing education

(A) The Ohio peace officer training council shall develop and conduct a basic training course lasting at least three weeks for sheriffs appointed or elected on or after January 1, 1988 and shall establish criteria for what constitutes successful completion of the course. The basic training course shall include instruction in contemporary law enforcement, criminal investigations, the judicial process, civil rules, corrections, and other topics relevant to the duties and operations of the office of sheriff. The council shall offer the course every four years within six months after the general election of sheriffs in each county and at other times when it is needed to permit sheriffs to attend within six months after appointment or election. The course shall be conducted at the Ohio peace officer training academy.

(B) The attorney general shall appoint a continuing education committee, consisting of not fewer than five nor more than seven members, including but not limited to, members of the Ohio peace officer training council and sheriffs. MISCELLANEOUS INVESTIGATORY POWERS AND DUTIES

109.83 Investigation of organized crime; referral to prosecuting attorney or grand jury

(A) When directed by the governor or general assembly, the attorney general may investigate any organized criminal activity in this state. When it appears to the attorney general, as a result of an investigation conducted pursuant to this division, that there is cause to prosecute for the commission of a crime, he shall refer the evidence to the prosecuting attorney having jurisdiction of the matter, to a regular grand jury drawn and impaneled pursuant to sections 2939.01 to 2939.24 of the Revised Code, or to a special grand jury drawn and impaneled pursuant to section 2939.17 of the Revised Code. When the crime or the elements of the crime were committed in two or more counties, the referral shall be to the prosecuting attorney, the regular grand jury, or a special grand jury of the county in which the most significant portion of the crime or the elements of the crime occurred or, if it is not possible to determine that county, the county with the largest population. When evidence is referred directly to a grand jury pursuant to this section, the attorney general and any assistant or special counsel designated by him has the exclusive right to appear at any time before such grand jury to give information relative to a legal matter cognizable by it, or to advise upon a legal matter when required, and may exercise all rights, privileges, and powers of prosecuting attorneys in such cases.

(B)(1) When information is referred to the attorney general by an organized crime task force or the organized crime investigations commission pursuant to section 177.03 of the Revised Code, the attorney general shall review the information and if he determines that there is cause to prosecute for the commission of a crime, he shall refer the information as evidence to a regular or special grand jury in the manner described in, and in the county determined in accordance with the provisions of, division (A) of this section, or shall initiate a criminal action or proceeding in a court of proper jurisdiction. If an indictment is returned by a grand jury pursuant to a referral made under this division, the attorney general has sole responsibility to prosecute the accused offender.

(2) The attorney general, and any assistant or special counsel designated by him who appears under this division in any county for the prosecution of any crime has the same powers and authority as a prosecuting attorney, including, but not limited to, powers relating to attendance before the courts and grand juries of the county, preparation and trial of indictments for crimes, and representation of the state in any criminal proceeding or in any appeal from a criminal case in any court of this state.

(C) When proceeding under the authority of this section, the attorney general may appear for the state in any court or tribunal of proper jurisdiction for the purpose of conducting investigations under division (A) of this section, or for the purpose of conducting criminal proceedings or any other proceeding that is necessary to

promote and safeguard the public interests of the citizens of this state.

(D) This section shall not be construed to prevent the attorney general and prosecuting attorneys or special prosecutors from cooperating in the investigation and prosecution of offenses under this section. However, in cases in which information was referred to the attorney general by an organized crime task force because the office of a prosecuting attorney was implicated by an investigation conducted by the task force, the attorney general shall not inform the implicated prosecutor of the investigation or referral and shall not cooperate with the prosecutor on the matter.

(E) As used in this section, "organized criminal activity" has the same meaning as in section 177.01 of the Revised Code.

TABLE 3

COMPATIBLE AND INCOMPATIBLE OFFICES

Note: The following table, in two parts, lists Compatible Offices and Incompatible Offices, as determined in Opinions of the Attorney General issued during 1990.

Offices and positions are considered incompatible when one is subordinate to the other or is a check upon the other. Also, positions may be deemed incompatible when it is physically impossible for one person to discharge the duties of both offices (*State, ex rel Attorney General v Gebert*, 12 CC(NS) 274).

There are several constitutional and statutory provisions affecting the compatibility of offices, as follows:

<i>Ohio Constitution</i>	<i>Ohio Revised Code</i>		
Art. II, § 4	3.11	315.02	2921.42
Art. III, § 14	124.57	319.07	3501.02
	309.02	705.02	
	311.04	731.12	

In some instances, court decisions have ruled upon the compatibility of offices. Such court decisions are not covered in this table.
