FISCAL 2014
Annual Report

MIKE DEWINE
OHIO ATTORNEY GENERAL

MIKE DEWINE

★ OHIO ATTORNEY GENERAL ★

Dear Colleagues:

Every year my office assists thousands of Ohioans who have been affected by violent crime through the Ohio Victims of Crime Compensation Fund.

Ohio Revised Code (ORC) Section 2743.69 requires my office to prepare an annual update on the Ohio Victims of Crime Compensation Fund. This report, which covers the period from July 1, 2013 through June 30, 2014, fulfills that mandate and also details my office's other efforts to ease the burden crime victims face through no fault of their own.

Through the compensation fund, my office helps victims and their families recover certain costs incurred as a result of the crime such as medical expenses, counseling, and lost wages. Since 1976, the compensation fund has distributed more than \$344 million to victims of violent crime in Ohio. During fiscal year 2014, my office processed 3,170 requests for compensation and paid out an average of \$2,401 per claim.

During this period, over \$18 million in grants were awarded to 280 community agencies throughout all Ohio counties. These grants ensure that all victims have access to needed services. In fiscal year 2014, the Crime Victim Services staff trained over 7,500 people on topics like victim compensation, elder abuse, domestic violence, sexual assault, and child abuse. And our Two Days in May Conference on Victim Assistance – one of the largest gatherings of its kind in the nation – drew nearly 1,000 victim advocates and criminal justice professionals who took advantage of insightful presentations and useful workshops.

As the pages of this report indicate, my office is committed to assisting crime victims as well as the advocates who work on their behalf. If you have questions or comments, please contact Crime Victim Services Section Chief Tannisha Bell at 614-466-5610 or Tannisha.Bell@OhioAttorneyGeneral.gov.

Very respectfully yours,

Mike DeWine
Ohio Attorney General

Introduction

The Ohio Victims of Crime Compensation Fund was created in 1976 to help ease the financial impact inflicted on innocent victims of violent crime. Responsibility for the fund was transferred from the Court of Claims of Ohio to the Ohio Attorney General's Office on July 1, 2000, and other benefits have been added through the years. In addition to overseeing the compensation program, the Attorney General's Crime Victim Services Section administers state and federal grants to support communities' victim assistance programs; provides education and training for victims, victim advocates, and the general public; and ensures that other resources are in place to ease crime victims' challenges.

Grants Unit

The Grants Unit of the Crime Victim Services Section administers state and federal grants to victim service providers. These State Victims Assistance Act (SVAA) and federal Victims of Crime Act (VOCA) grants are made up of funds from court costs and fees, not taxpayer dollars. Recipients generally include domestic violence shelters, rape crisis centers, prosecutor-based victim/witness programs, child advocacy centers, and other similar governmental and nonprofit agencies that provide direct services to crime victims.

Every Ohio county shared in the more than \$18 million in grants distributed to 280 organizations in fiscal year 2014. Newly funded organizations included a community victim advocate program in Hamilton County, a program focused on serving victims with hearing difficulties in Franklin County, and victim advocates working with homeless youth in Vinton County. All the programs we fund provide a place where advocates, law enforcement, and other professionals can offer services to victims in or recovering from crisis.

The Grant Unit is also working toward expanding services to survivors of sexual assault throughout the state. Expansion efforts directed toward Ohio University (Perry & Meigs) have created a 24/7 local crisis hotline and sexual assault prevention publications are available in public libraries. HelpLine (Wyandot & Crawford) has been able to offer Sexual Assault Response Teams and trained advocacy services to local victims. In October 2014, Alternatives to Violence received an expansion grant to increase sexual assault services in Clinton County. With the expansion funds flowing to Clinton County, all counties originally identified as having little to no services now have services available to survivors of sexual assault. Another survey instrument has been developed in consultation with the Chief Data Officer at the AGO and is currently being piloted by four sexual assault service providers. The survey is geared toward determining which core services are available in each county and is supported by Ohio Alliance to End Sexual Violence (OAESV).

The Grant Unit is also spearheading efforts to help youth experiencing homelessness. These youth find themselves with little support to make a successful transition to adulthood and are extremely vulnerable to becoming victims of crime. The Crime Victims Section held a symposium in April 2014 to define the scope of the problem of youth homelessness and develop strategies and solutions to deal with this issue. The symposium consisted of personal stories from homeless or formerly homeless youth, a discussion on transition age youth services, a presentation on the adolescent brain, and breakout sessions where participants discussed strategies to address this issue. We will also be partnering with several youth shelters to conduct a survey of youth facing homelessness to understand the types of victimization they experience.

Education and Policy Unit

The Education and Policy Unit has created a comprehensive model to ensure equitable access to quality services for victims throughout the state. Unit staff provides training and technical assistance and develops resources for professionals who assist victims. The Unit also works to advance policies that secure rights and protections for victims. During fiscal year 2014, more than 7,500 individuals received some form of assistance from the team. Here is a look at assistance provided on various topics in fiscal 2014:

Domestic Violence/Sexual Assault

Crime Victim Services offers multidisciplinary trainings and helps develop policy statewide to address the crimes of domestic violence and sexual assault.

In fiscal 2014, the section's Domestic Violence/Sexual Assault Program provided 30 trainings related to improving the response to victims. The concept of a collaborative response was stressed in trainings, policy development work, and conversations about the importance of a victim-centered response.

- The Interpersonal Violence Response (IVR) training team provided three trainings targeted specifically to law enforcement on interviewing skills and investigating cases of sexual assault as well as two trainings focused on a multidisciplinary response to a victim-centered approach.
- The IVR also worked to bring in the National Center on Victims of Crime to train on the neurobiology of trauma and investigating sexual assault cases arising from the recent Attorney General supported cold kit analysis. This training instructed responders on understanding the traumatic response on the brain and the effect when approaching victims decades later.
- A workshop on Advocacy and Sexual Assault was offered at two national conferences to support advocates to provide assistance based on best practices, confidentiality and ethics.
- With the goal of providing a space to talk about the community response, a Summit in was held in Columbus to give the opportunity to 4 communities actively working on a coordinated community response to both domestic violence and sexual assault. Following this event conversations continue with the development of sexual assault response teams as well as high lethality assessment teams.

Sexual Assault Forensic Exam program

The Sexual Assault Forensic Exam (SAFE) program spent the last year working to make the reimbursement process easier and more efficient for health care programs to receive payment for the time spent offering services to victims of sexual assault. The SAFE program is statutorily mandated by ORC Section 2907.28 to cover medical expenses of patients examined after a sexual assault to ensure the proper collection of physical evidence for possible prosecution. The SAFE program reimbursed medical facilities for 5,436 exams at a cost of more than \$2.8 million in fiscal year 2014.

The SAFE program made great strides in identifying billing issues, connecting with hospitals and medical staff and reviewing claims quicker to ensure faster payments. As a result the following occurred:

- In order to support hospitals in providing the best care to victims of sexual assault, ten trainings on forensic evidence collection were offered in five regions of the state. The training involved walking emergency department staff through the examination process to improve their understanding of the critical detail needed to collect potential evidence.
- November 2013, the SAFE program switched to an online submission process. This new change allows providers the opportunity to submit and view claims in real time.

- Collaborative relationships have allowed individuals and their insurers to be reimbursed when erroneously billed for SAFE expenses.
- The online system provides for instant access to data including suspected human trafficking and a count of drug facilitated sexual assaults each year.

Victim Information and Notification Everyday

Staff members help crime victims and other concerned citizens gain access to information about the criminal cases and custody status of offenders through the Victim Information and Notification Everyday (VINE) program. VINE provides information on the status of offenders within the Ohio Department of Rehabilitation and Correction and Ohio Department of Youth Services systems and county jails by telephone or online 24 hours a day. Individuals can register to be notified via VINEmobile, phone, email, text message (SMS), or text telephone (TTY) device when an offender's custody status changes. Users can also register through their participating state or county toll-free number.

Here is a look at fiscal year 2014 VINE statistics:

- On average, 73,616 online searches were conducted each month at www.vinelink.com, the primary registration point for Ohio.
- On average, 3,350 new registrations are logged each month.
- VINELink usage decreased 6.6 percent over comparable 12-month periods, from 824,918 to 769,863.
- New registrations decreased 0.7 percent, from 40,505 to 40,199.
- Phone notifications were up 7.1 percent, from 191,459 to 205,015.
- E-mail notifications increased 25.2 percent, from 42,599 to 53,325.
- The VINEmobile application logged 51,386 site searches in the first full fiscal year of operation.

Elder

In response to the growing concern about the treatment of offenses committed against the elderly as less than the serious crimes they are, Attorney General DeWine launched the Elder Justice initiative on May 6, 2014. The office expanded its work with law enforcement, prosecutors, and victim advocates under the new Elder Justice Initiative in an effort to increase the investigation and prosecution of elder abuse cases and improve victims' access to services.

Elder abuse cases can involve complicated legal, evidentiary, or medical issues, and a significant amount of training and expertise is required to effectively recognize, investigate, and prosecute them. The Attorney General's Elder Justice Team is led by the Crime Victim Services section with expertise from the office's Bureau of Criminal Investigation and Consumer Protection, Health Care Fraud, and Special Prosecutions sections. The team successfully helped local communities with:

- Criminal investigations
- Forensic analysis
- Case presentation and prosecution
- Victim advocacy and assistance
- Education and outreach
- Training and technical assistance

Since the launch of the initiative, the Attorney General's Office has received more than 100 requests for assistance and has opened multiple criminal investigations. The majority of complaints received regard financial exploitation of victims 60 years of age and older ranging between \$2,000 and \$1,000,000. The initiative has opened doors to critical services for elderly victims, such as counseling and victim notification.

Support and Outreach Services

The Support and Outreach Services unit advocates directly for victims and educates communities about available crime victim services. The unit coordinates training, special events, and outreach activities by streamlining scheduling, providing registration and logistical support, and filing for continuing education credits.

The unit directed the 2014 Outreach Initiative to increase the number of Ohioans receiving information about crime victim services and applying to the Ohio Victims of Crime Compensation Program. Through training, technical support, community events and publication distribution six multi-disciplinary teams made direct contact with all 88 Ohio counties. The Initiative engaged existing partners and helped to develop partnerships with new community agencies, organizations and businesses to fill the gap in victim services across the state. A total of 1,888 victim service and law enforcement professionals were trained through the Initiative.

The 23rd annual Two Days in May Conference on Victim Assistance was organized by the unit. The conference is the nation largest conference on victim assistance. Nearly 1000 people attended the 2014 conference themed *Access to Justice for Victims of Crime*. In addition, 44 victim advocates and criminal justice professionals were trained through the Basic Advocacy Skills in Crime Victim Services (BASICS) Academy in fiscal year 2014.

After its initial contact with a victim of crime, the law enforcement agency responsible for investigating the crime must promptly provide the victim in writing an explanation of his or her rights. To facilitate that service, the Crime Victim Section produces the Ohio Crime Victim Rights Booklet, an overview of the special rights and privileges accorded victims of crime under Ohio law. In 2014, the Crime Victim Services Section distributed over 124,087 booklets to 336 agencies.

Youth

Over thirty law enforcement officers, prosecutors, forensic interviewers, and child protection professionals were trained to interview and prepare children for court through Finding Words Ohio, an intensive five-day course that teaches professionals the necessary skills to conduct competent investigative interview of child abuse victims.

Crime Victim Compensation Program

ORC Section Chapter 2743 governs the compensation program, which allows applicants to be reimbursed up to \$50,000 for economic losses they incur as a result of a violent crime. Economic losses that can be recovered are:

- Medical and related expenses
- Funeral and burial expenses (up to \$7,500)
- Dependents' economic losses resulting from the death of a victim
- Counseling expenses for immediate family members of victims of domestic violence, sexual assault, homicide, or a crime that has resulted in a severe and permanent incapacitating injury such as paraplegia (up to \$2,500 per family member)
- Crime scene cleanup expenses (up to \$750)
- Compensation for property held as evidence (up to \$750)

Victims cannot receive compensation for pain and suffering or stolen property. Also, the program is a payor of last resort and will not compensate for economic losses that can be recovered from another source.

In order to participate in the program, the victim:

- Must not have engaged in any conduct that substantially contributed to the injuries sustained
- Must not have engaged in violent felonious conduct or drug trafficking within 10 years of the incident for which the claim has been filed with this office
- Must not have any felony convictions, domestic violence convictions, or child endangering convictions within 10 years of the incident for which the claim has been filed with this office.

Administrative Costs

Administrative costs for fiscal year 2014 totaled \$5,802,212.40. The number of appeals to the Court of Claims decreased from 75 to 55.

The Attorney General's costs decreased 9.1 percent, from \$6,383,293 to \$5,802,212. As this involved 5,074 claims, the Attorney General's cost per claim averaged \$1,143.

As is indicated in the following graph, overall administrative costs decreased 17.6 percent in fiscal 2014 compared to the year before.

Application and Award Summary

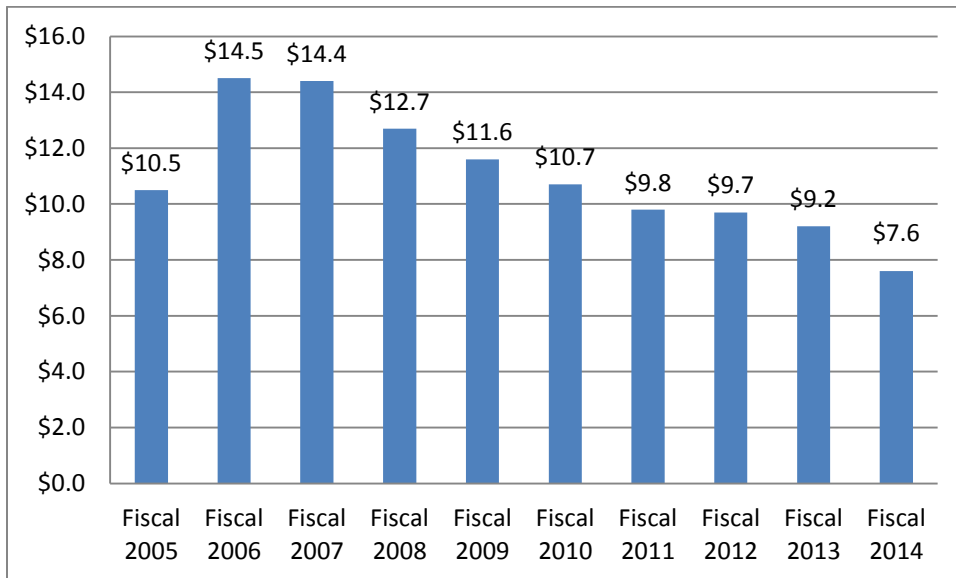

The Compensation Unit processed more than 5,074 compensation claims in fiscal year 2014. The average award for claims totaled \$2,401, down from \$2,774 the year before. The total amount paid to crime victims throughout the state was \$7,610,378.97 in fiscal year 2014. The number of supplemental claims continues to decrease as the Attorney General's Office makes a concerted effort to consider all out-of-pocket expenses incurred by the applicant in the initial claims, thereby reducing the need for supplemental claims. The unit's goal for the upcoming year is to make more people statewide aware of the compensation program and the assistance available.

The fund's balance has declined over the past 10 years, but has stabilized in recent years, as illustrated in the chart below. Fiscal year 2014 saw an increase in the fund total of 15.2 percent.

Attorney Fees

Two types of attorney fees are payable under the crime victim compensation statute.

Under ORC Section 2743.65, an applicant may seek the assistance of an attorney in filing for compensation or in appealing a decision of the Attorney General's Office. The \$147,615 in attorney fees paid out in fiscal year 2014 represents a 36.1 percent decrease from the previous year.

Under ORC Section 2743.51(F)(4), attorneys who assist the claimant with successfully obtaining a protection order or another order to physically separate the victim from the offender may receive reasonable attorney fees not exceeding \$1,000 at a rate not exceeding \$100 per hour. Attorney fees for reasonable travel time incurred to attend court hearing are paid at a rate not exceeding \$30 per hour. The total amount paid to attorneys assisting with protection orders decreased 7.1 percent in fiscal year 2014, from \$425,263.85 to \$394,814.44.

Awards by Incident Type

As in past years, the majority of the awards paid went to victims of assault (43.4 percent). Next were awards related to incidents of domestic violence (18.8 percent) and sexual assault (11.0 percent).

The Attorney General holds offenders financially accountable for their crimes. The Subrogation Unit's collection efforts against offenders, insurance companies, and other liable parties allow for the fund to be reimbursed. The chart below summarizes the results of the Subrogation Unit's efforts, which included returning \$437,065 to the fund in fiscal year 2014, a 20.5 percent increase over the year before.
