

An examination of the aforesaid leases shows that the term of each of the same is fifteen years, and that the rent reserved is six percent of the appraised valuation of the parcel so leased.

It appearing further that said leases are otherwise in conformity with the provisions of law relating to the leasing of canal lands, said leases, and each of the same, are hereby approved, as is evidenced by the endorsement of my approval thereon and on the duplicate and triplicate copies thereof, all of which are herewith returned.

Respectfully,

GILBERT BETTMAN,
Attorney General.

L. 210.

The leases here in question are the following :

It is noted that pursuant to the requirements of Section Nine of said act the rent reserved is six percent of the appraised value of said several parcels of land, said land being subject to revaluation at the end of each fifteen year period.
