APPROVAL, CONTRACT BETWEEN THE STATE OF OHIO AND THE KEASBEY AND MATTISON COMPANY, AMBLER, PA., FOR CONSTRUCTION AND COMPLETION OF ACOUSTICAL TREATMENT, OHIO STATE ARMORY, AKRON, OHIO, AT A COST OF \$16,959.00—SURETY BOND EXECUTED BY THE GLOBE INDEMNITY COMPANY.

COLUMBUS, OHIO, June 18, 1923.

*Adjutant General of Ohio, Columbus, Ohio.*

DEAR SIR:—You have submitted for my approval contract between the State of Ohio, acting by the Adjutant General and The Keasbey and Mattison Company, incorporated under the laws of the State of Pennsylvania, with principal office at Ambler, Pa. This contract covers the construction and completion of the Acoustical Treatment of the Ohio State Armory at Akron, Ohio, and calls for an expenditure of \$16,959.00.

You have submitted the certificate of the Director of Finance to the effect that there are unencumbered balances legally appropriated in a sum sufficient to cover the obligations of the contract. There has further been submitted a contract bond upon which The Globe Indemnity Company appears as surety, sufficient to cover the amount of the contract.

You have further submitted evidence indicating that plans were properly prepared and approved and notice to bidders was waived by the controlling board, that bids were received and tabulated as required by law and the contract duly awarded. Also it appears that the laws relating to the status of surety companies and the workmen's compensation have been complied with.

You have further submitted evidence indicating that Allen Clark, 1178 West Eleventh Street, Cleveland, Ohio, as the person upon whom process may be served in action brought against said company in Ohio.

Finding said contract and bond in proper legal form I have this day noted my approval thereon and return the same herewith to you, together with all other data submitted in this connection.

Respectfully,

C. C. CRABBE,

*Attorney General.*
