 If you'll become Medicare-eligible soon, here are some important dates for you to remember:
Today: Now is a good time to start looking into your choices for Medicare Part C (Medicare Advantage) and Part D prescription drug coverage.
5/1/2014: This is the first day you can enroll for Medicare Medicare Advantage, and Part D prescription drug coverage.
August: Your month of Medicare eligibility.
11/30/2014: This is the last day you can enroll in a Medicare Advantage or Part D drug plan for this year. If you do not choose this coverage now, you may have to wait until next year to have these benefits.
 Your Medicare Advantage and Part D prescription benefits are available from SummaCare Secure.
