

tion and completion of contract for grading (exclusive of contract for cement walk), Kent State College, Kent, Ohio, as set forth in Item 1 of proposal dated November 16, 1929, as modified by the "Substitution Sheet" thereto attached, excluding three inches of top soil. Said contract calls for an expenditure of one thousand, seven hundred and fifty dollars (\$1,750.00).

You have submitted the certificate of the Director of Finance to the effect that there are unencumbered balances legally appropriated in a sum sufficient to cover the obligations of the contract. You have also submitted evidence that the consent of the Controlling Board to the release of funds has been obtained in accordance with Section 11 of House Bill No. 510 of the 88th General Assembly. In addition, you have submitted a contract bond upon which H. J. Wright and Metta O. Wright appear as sureties, in the penal sum of two thousand dollars, sufficient to comply with Section 2365-2, General Code.

Inasmuch as the contract is less than three thousand dollars, the exact provisions of Section 2314 et seq. of the General Code, concerning filing of plans, advertising and tabulating bids did not have to be followed. It appears that the laws relating to the Workmen's Compensation Act have been complied with.

Finding said contract and bond in proper legal form, I have this day noted my approval thereon and return the same herewith to you, together with all other data submitted in this connection.

Respectfully,
GILBERT BETTMAN,
Attorney General.
