

Ohio Attorney General's Office
Bureau of Criminal Investigation
Investigative Report

2021-2286

Officer-Involved Critical Incident- 2469 Kimberly Parkway

Investigative Activity: Records Received; Document Review

Involves: Kyle Veyon

Activity Date: 12/20/2021

Activity Location: BCI

Authoring Agent: SA Matt Collins, #151

Narrative:

On Wednesday, September 29, 2021, Ohio Bureau of Criminal Investigation (BCI) Special Agent (SA) Matt Collins (SA Collins) began compiling background information on Kyle Veyon (Veyon), a subject involved in the incident on September 29, 2021. The information included researching past police reports involving the subject, searching criminal history records, court records (if applicable), open/closed-source database inquiries, and social media posts. The information gathered was obtained from the BCI Criminal Intelligence Unit and the City of Columbus-Division of Police (CPD).

SA Collins reviewed the information and noted the following:

Prior Police Encounters:

CPD records indicated Veyon had a previous incident on August 19, 2021, where he was arrested for a Domestic Violence offense. The records further indicated the previous incident listed Felicia Marshal as the alleged victim and Veyon as the alleged offender. That incident was said to have occurred at 426 E. Moeller St., Columbus, OH 43206.

Databases and/or Court Records:

CIU findings indicated Veyon had Criminal Trespassing and Drug paraphernalia charges in the past.

The documents received relative to Veyon are attached to this report for further review, except for any prohibited LEADS/CCH reports which were disposed of according to applicable policies and procedures.

BITTER TRUTH

Start a business - \$1,300 - Too risky.

iPhone - \$1,300 - Newest model is a must.

Healthy groceries - \$50 - Too expensive.

Dinner date - \$50 - Reasonable.

Learning a new skill: I wish I had time.

Watching Netflix: Time flies, let's watch another one.

Choose rightly & wisely. Because what you prioritize and invest in today will **determine your tomorrow.**
