

above described lots were acquired by the then canal commissioners of the state, under the authority of an act passed February 7, 1826, 24 O. L., p. 58. In the former opinion of this office, here referred to, consideration was given to the question of your authority to sell this property under the provisions of Section 2 of said act of the legislature and of other statutory enactments. In said opinion I arrived at the conclusion that you had the necessary power and authority to sell this property.

Upon examination of your official proceedings, relating to the sale of the above described parcel of land to Elizabeth Bell, I find said proceedings to be in substantial conformity with the applicable provisions of Section 13971, General Code, and with the provisions of Section 2 of the act of February 7, 1926, above referred to.

Your proceedings relating to the sale of this property are accordingly hereby approved as to legality and form as is evidenced by my authorized signature upon the transcript of said proceedings and upon the duplicate copy thereof.

With the transcript of your proceedings relating to the sale of this property you have submitted a deed form of a deed to be executed by the governor of the state, conveying said parcel of land to Elizabeth Bell. Upon examination of said deed I find the same to be in proper form and the same is hereby approved.

I am herewith returning said transcript and copy thereof, deed form and other files submitted to me relating to this matter.

Respectfully,  
GILBERT BETTMAN,  
*Attorney General.*
