

Industrial Commission to use the pay-roll of a county and its various sub-divisions as a basis for collecting premiums for the Public Work Relief Employees' Compensation Fund; (2) that the Industrial Commission is required by law to collect sufficient money from the counties and their taxing sub-divisions to pay the compensation provided by law for employees and dependents of employees from the Public Work Relief Employees' Compensation Fund, and (3) that it is not illegal for the Industrial Commission to take as a basis for collection of said premiums the amount paid to relief workers during the years that said counties and the taxing sub-divisions therein have employed work-relief employees.

Respectfully,

JOHN W. BRICKER,
Attorney General.
