

The necessity for haste makes it impracticable to discuss the questions further; nor in the interest of brevity has citation of all the previous opinions of this department, which are in accord with the conclusions herein, been made. See, however, Opinions of the Attorney-General for 1915, Vol. I, page 493, which covers many, if not all, of these questions.

Respectfully,  
JOHN G. PRICE,  
*Attorney-General.*
