APPROVAL—RESERVOIR LAND LEASE TO LAND AT BUCKEYE LAKE, OHIO—E. J. HOLTSBERRY.

COLUMBUS, OHIO, August 27, 1936.

HON. L. WOODDELL, *Conservation Commissioner, Columbus, Ohio.*

DEAR SIR: You recently submitted for my examination and approval a reservoir land lease, in triplicate, executed by you, as Conservation Commissioner, to one E. J. Holtsberry of Buckeye Lake, Ohio. By this lease, which is one for a term of fifteen years, and which provides for an annual rental of \$50.00, there is leased and demised to the lessee above named the right to occupy and use for cottage site purposes that portion of the northerly embankment of Buckeye Lake in the southwest quarter of Section 13, Town 17, Range 18, Licking County, Ohio, that is included in the outer slope and borrow pits adjacent thereto included in the westerly fifty feet of embankment lot No. 558, east of Sayre's Boathouse at Buckeye Lake, as said lot was laid out by the Ohio Canal Commission in 1905.

Upon examination of this lease, which seems to be a renewal of a

lease now held by the lessee above named, I find that the new lease has been properly executed by you as Conservation Commissioner and by E. J. Holtzberry, the lessee, therein named. I further find upon examination of the provisions of this lease and the conditions and restrictions therein named, that the same are in conformity with Section 471 and other sections of the General Code of Ohio relating to leases of this kind.

I am accordingly approving this lease and have endorsed my approval upon the original lease and upon the duplicate and triplicate copies thereof, all of which are herewith returned.

Respectfully,

JOHN W. BRICKER,
Attorney General.
