Investigative Report

2021-1431

Officer Involved Critical Incident - Unknown, Kevin Richard Giesel (S)

Investigative Activity: Police Officer [REDACTED] Documentation

Activity Date: 6/14/21

Activity Location: 5700 Block South Park Blvd., Parma, OH 44134

Authoring Agent: S/A Justin Soroka

Details:

On June 14, 2021, at approximately 0500 hrs., S/A Justin Soroka documented and collected firearms from Police Officer [REDACTED] who was identified as firing his rifle. Officer [REDACTED] was photographed as he was found. Officer [REDACTED] wore a navy blue, long sleeve tactical style blouse, and navy, blue cargo style pants. Affixed to the upper left sleeve was an American flag patch, and affixed to the upper right sleeve was a Southwest Enforcement Bureau patch. He also wore a black, outer ballistic vest carrier with "Police" patches affixed to the chest and back. S/A Soroka documented Officer [REDACTED]'s handgun, which he stated he did not fire. The handgun was a Sig Sauer P229, bearing serial number [REDACTED]. The magazine was removed and the slide was locked back revealing a cartridge marked with the headstamp "WIN 9mm Luger" in the chamber. A fifteen capacity P228 9mm magazine was unloaded and found to contain eighteen cartridges. Two spare, fifteen capacity, P228 9mm magazines were unloaded, and both were found to contain seventeen cartridges. The handgun and spare magazines were returned to Officer [REDACTED]. Officer [REDACTED] provided S/A Soroka with the rifle he fired. The rifle was a PWS MK111 Mod 2-M, bearing serial number [REDACTED]. The magazine was removed and the bolt was locked back revealing a cartridge marked with the headstamp "REM 223" in the chamber. The magazine was a PMAG 30 containing twenty-five cartridges marked with the headstamp "REM 223". The cartridges were placed back in the magazine, which was packaged separately from the cartridge from the chamber. Both were packaged with the rifle. Officer [REDACTED] provided S/A Soroka with two spare rifle magazines. The rifle magazines were each PMAG 30. One of the magazines contained twenty-nine cartridges marked with the headstamp "REM 223", and the other magazine contained thirty cartridges marked with the headstamp "REM 223".

The rifle and spare magazines were sealed and initialed by S/A Soroka. Both items were transported to the Ohio Bureau of Criminal Investigation in Richfield where they were secured in temporary evidence locker #10.
