

There appear to be one or two minor deficiencies in the early history of the title, but I am of the opinion, because of a considerable lapse of time, same may be disregarded.

Attention is directed to certain restrictions against the use of the premises for the erection of any buildings to be used for slaughter houses, the killing of animals or the use of said premises for the sale of intoxicating liquors and malt beverages. These restrictions follow the premises for a period of twenty-five years from the date of the subdivision.

The abstract states no examination has been made in the United States District or Circuit Courts or any subdivision thereof.

Taxes for the last half of the year 1923, amounting to \$29.26, due and payable in June, 1924, and the taxes for the year 1924, amount not yet determined, are a lien.

It is suggested that the proper execution of a general warranty deed by Charles Wooley and wife will be sufficient to convey the title of said premises to the State of Ohio when properly delivered.

Attention is also directed to the necessity of the proper certificate of the Director of Finance, to the effect that there are unincumbered balances legally appropriated sufficient to cover the purchase price before the purchase can be consummated.

The abstract is herewith returned.

Respectfully,
C. C. CRABBE,
Attorney General.
