METRIC

A yellow evidence folder is shown, partially open. It features a ruler at the bottom with markings from 1 to 6 centimeters. A blue marker has drawn a large letter 'A' on the folder's surface. The folder has several labels: 'P' in a box at the top left, 'L' in a box at the top right, and 'A' in a box in the center. A white tab at the top right says 'INSERT INTO' with a small 'A' in a box. Below the tab, it says 'FOLD DOWN FLAP' with another 'A' in a box. At the bottom right, there is a circular target symbol and the word 'METRIC' written vertically.
