These parcels of abandoned Hocking Canal lands are being sold by you as Superintendent of Public Works under the authority of an act of the 88th General Assembly, 113 O. L., 521, and of section 13971, General Code, referred to and made a part of said act. Under this act of the legislature and section 13971, General Code, you are authorized to sell the parcels of land here in question, subject to the approval of the Governor and the Attorney General and subject to the further condition that the property is not needed for highway purposes. As to this, it appears that this property is not needed for highway purposes and has not been designated by the Director of Highways for such purposes within the time prescribed in said act. In view of this fact and of the further fact that the appraised valuation of each of these parcels of land is less than \$500.00, you are authorized to sell this property at private sale, subject to the approval of the officers above named.

Upon the consideration above noted, I am approving the sale of this property and the several transcripts of your proceedings relating to the sale of the same, as is evidenced by my approval endorsed upon the transcripts and upon the duplicate copies thereof, all of which are herewith returned to you.

Respectfully,

JOHN W. BRICKER,
Attorney General.

APPROVAL—TRANSCRIPT OF PROCEEDINGS RELATING TO
SALE OF HOCKING CANAL LANDS IN GOOD HOPE
TOWNSHIP, HOCKING COUNTY, OHIO, TO C. AND O.
RAILWAY COMPANY.

COLUMBUS, OHIO, November 9, 1936.

HON. CARL G. WAHL, *Director, Department of Public Works, Columbus, Ohio.*

DEAR SIR: You recently forwarded to me for my examination and approval a transcript of your proceedings relating to the sale of two

parcels of abandoned Hocking Canal lands in Good Hope Township, Hocking County, Ohio, to The Chesapeake and Ohio Railway Company.

These parcels of land, which are owned by the state by fee simple title and which are being sold by you as Superintendent of Public Works and as Director of said Department under an act of the 88th General Assembly under date of April 19, 1929, 113 O. L., 521, are hereby designated with respect to location, acreage and appraised value as follows:

<i>Location</i>	<i>Acreage</i>	<i>Appraised Valuation</i>
Sec. 15, Tp. 13 N., R. 18 W.	2.346	\$235.00
Secs. 14, 15, Tp. 13 N., R. 18 W.	1.596	160.00

The act of the 88th General Assembly, above referred to, and section 13971, General Code, which is referred to and made a part of said act, authorizes you to sell the parcels of abandoned canal lands here in question, subject to the approval of the Governor and the Attorney General and subject to the further condition that these parcels of land are not needed for highway purposes. As to this, it appears from the transcript of your proceedings relating to the sale of this property that these parcels of land are not needed for highway purposes and have not been designated by the Highway Director for this purpose. In view of this fact and the further fact that in each instance the appraised value of the parcel of land sold is less than \$500.00, you are authorized to sell this property at private sale, as you have done in this case.

I am accordingly approving the sale of this property and the transcript of your proceedings relating to the same, as is evidenced by my approval endorsed upon the transcript and upon the duplicate copy of the same, both of which are herewith returned.

Respectfully,

JOHN W. BRICKER,
Attorney General.
