Narrative:

On September 26, 2023, Ohio Bureau of Criminal Investigation (BCI) Special Agent (SA) Tiffany Najmulski (Najmulski) and SA Chris Hamberg (Hamberg) interviewed Trooper Alan Hankinson (Trooper Hankinson), of the Ohio State Patrol (OSP), relative to the officer-involved shooting which took place on September 3, 2023. The interview took place at the Lima Post of the Ohio State Patrol, 2005 E. Fourth Street, Lima, Ohio. The purpose of the interview was to obtain all relevant information of the incident known or observed by this individual regarding their response to the incident scene. The following is a summary of the interview which was recorded and attached to the case file.

Trooper Hankinson advised he has been with OSP for 11 years. He said on the incident day he responded to a subject wanted for murder in Chicago. The subject's phone was pinged in Ohio. OSP located the subject and a pursuit ensued. Trooper Hankinson entered the pursuit around the Beaverdam area (mile post 135) when he blocked off an exit location going southbound. After the subject passed the Beaverdam area, Trooper Hankinson fell in line with the pursuit.

Trooper Hankinson advised he hung back toward the rear of the pursuit. The subject's tires had been spiked near Findlay. Once the subject spun out into the median, his vehicle caught fire. Trooper Hankinson said he saw the subject present a handgun from inside the vehicle.

The subject then exited the vehicle with the gun and began walking southbound in the lanes of travel, which had been shut down. The subject pointed the weapon away from the Troopers and sometimes at his own head.
