

ordinance 51-1929, passed March 18, 1929, a copy of which you enclose. Section 1 thereof reads:

“That all assessments for the East Barberton Sanitary Sewer, now due and unpaid or hereafter to become due upon the parcel of land herinafter described, be and the same hereby are abated.”

You have furnished a certified copy of the resolution of the Board of Directors of The East Barberton Land Company, dated November 15, 1928, authorizing the president and secretary of said corporation to execute a warranty deed for said premises to the State of Ohio.

You have submitted a warranty deed from The East Barberton Land Company to the State of Ohio properly executed by the president and secretary thereof, which in my opinion is sufficient to convey the premises to the State of Ohio when properly delivered.

I am returning herewith said abstract of title and deed, together with all other data submitted in connection with the matter.

Respectfully,  
 GILBERT BETTMAN,  
*Attorney General.*
