Officer Involved Critical Incident - Antwan Kinta Lindsey (S)

Investigative Activity: Crime Scene Processing  
Activity Date: July 8, 2023  
Activity Location: 3110 East Livingston Avenue, Columbus, OH (*Scene 1*)  
Authoring Agent: Special Agent Aja Chung, #86

On July 8<sup>th</sup>, 2023, the Ohio Bureau of Criminal Investigation (BCI) assisted the Franklin County Sheriff's Office (FCSO) and Columbus Police Department (CPD) regarding an officer involved critical incident. It was reported that a FCSO [REDACTED] [REDACTED] on a special detail at 3015 E. Livingston Ave. (Walgreen's) was approached by an unknown individual about a male, later identified as Antwan Lindsey (Lindsey), with a gun near 3098 E. Livingston Ave. FCSO [REDACTED] [REDACTED] attempted to make contact with Lindsey and shortly thereafter FCSO [REDACTED] [REDACTED] discharged his weapon. Lindsey fled into the apartment building at 3110 E. Livingston Ave. where he reportedly failed to comply with law enforcement orders to drop his pistol. After a taser deployment by a CPD officer, multiple officers discharged their weapons towards Lindsey. Officers rendered first aid to Lindsey and he was transported to Grant Medical Hospital where he was pronounced deceased. Special Agent (S/A) Aja Chung, S/A Shawn Rowley, S/A Cassandra Tackett and S/A Supervisor Joshua Durst responded to the scene.

S/A Chung began processing the scene at approximately 2235 hours. The scene expanded from the intersection of James Road and E. Livingston Avenue to inside 3110 E. Livingston Ave. on the bottom level floor. 3110 E. Livingston Ave was a three-story multi-family structure. There were two points of entry into the building. Lindsey reportedly entered into the building from the front doorway closest to E. Livingston Ave. Numerous ballistic events were located on the lower level door where Lindsey was located. Orange cones were placed by CPD and FCSO units to mark evidence items. S/A Rowley used a Leica BLK 3D scanner to further document the scene.

S/A Supervisor Durst and S/A Tackett responded to CPD substation 9 and the FCSO K9 Facility to document the involved officers and deputy. Agents were informed that one CPD officer had an accidental discharge of their firearm during the incident. See S/A Tackett's report (Processing of officers, IRW - 2) for further information.
