FIT # 22-04

On Wednesday, June 29, 2022, while assigned to Homicide Unit #8186, in company of Detective Ray Diaz #1001, we had the occasion to further investigate this incident.

I received a NIBIN report connection with the spent casings recovered from the 2016 Tan Ford Focus. These spent 9mm casings are a match to the recovered 9mm firearm that Datwuan Catchings was in possession of while fleeing Maple Hts police on foot. This firearm was recovered hanging on the privacy fence by a shoe string that was tied to the firearm.

NIBIN report included in case file.

This matter to be further investigated.
