BROADCASTING SYSTEM—COUNTY—MAY BY CONTRACT
FURNISH INFORMATION TO MUNICIPALITY—AGREE-
MENT BETWEEN PROPER COUNTY AND MUNICIPAL
AUTHORITIES—PAYMENT MAY BE MADE IN ADVANCE
FOR SUCH SERVICE.

SYLLABUS:

1. *A county may, by contract, furnish to a municipality information over the county broadcasting system for a sum to be agreed upon between the proper county and municipal authorities.*

2. *The sum agreed upon may be paid by the municipality in advance to receiving such information or service.*

COLUMBUS, OHIO, June 29, 1939.

HON. BENSON L. OWENS, *Prosecuting Attorney, Jackson, Ohio.*

DEAR SIR: I am in receipt of your request for my opinion which reads as follows:

"Your opinion No. 600, issued to Hon. Lester S. Reid, Prosecuting Attorney at Chillicothe, Ohio, in Item 3 of the Syllabus, states that a municipality may by contract with the County Commissioners furnish information for the County Sheriff over the Municipal broadcasting system, for a sum to be agreed upon between the municipal authorities and the County Commissioners.

I desire your opinion as to whether the converse of the above proposition is true. In other words, can a County, by contract with the Council or other proper Legislative authority of a municipality furnish information for a municipal police department over the County Broadcasting system for a sum to be agreed upon between the County and the municipal council or other proper legislative authority of the municipality?
