

While the bond submitted is not upon the regular form which is furnished by the state, it seems to be sufficient for the purpose.

Your attention is directed to the fact, however, that Mr. Carr has not signed the bond and it will be necessary that he attach his signature thereto. Also you are advised that it will be necessary that the governor endorse his approval upon the bond. Your attention is further directed to section 2 of the General Code, which requires that all persons appointed to an office under the constitution or laws of the state, and each deputy or clerk of such officer, shall take oath of office before entering upon the discharge of his duties.

Enclosed you will find an oath which it is suggested that Mr. Carr have executed and attach to the bond which is returned herewith. It is suggested that it will be to the advantage of all concerned if your department will adopt the practice of having such bonds executed upon the regular blanks provided by the Secretary of State for this purpose.

Respectfully,

C. C. CRABBE,

Attorney General.
