

noncontiguous parcels of Ohio Canal lands in Botzum, Northampton Township, Summit County, Ohio, which several parcels contain, respectively, .18, .107, .26, and .37 acres of land. In each lease the annual rental therein provided for is six percent of the appraised valuation of the particular parcel of land covered by the lease, and which is more particularly described by metes and bounds therein.

Upon examination of said leases, I find that each of the same have been properly executed by the Superintendent of Public Works, on behalf of the State of Ohio, and by the Baltimore and Ohio Railroad Company, by the hands of its properly designated officials acting pursuant to the authority of a resolution duly adopted by the board of directors of the railroad company.

I have carefully checked the terms and provisions of said lease in the light of the provisions of section 13965, General Code, and of other statutory enactments relating to leases of this kind, and find the same to be in conformity with said statutory provisions.

I am accordingly approving said leases as to legality and form; and am herewith returning the same with my approval endorsed upon each of said leases and upon the duplicate and triplicate copies thereof.

Respectfully,
GILBERT BETTMAN,
Attorney General.
